

Leigh on Mendip First School

working together to achieve our best

Newsletter 25 24th May 2019

What an eventful week we have had. Children from Year 3 and 4 spent the first part of the week at New Barn Field Centre. They had a wonderful time exploring the site, meeting the animals, orienteering, finding out about the Romans, building dens and working together to solve problems. In their downtime they made pom poms and played cards with Mrs Gilson! I would like to thank the staff of New Barn for another successful residential, Mrs Gilson and Mr Phelps for coming with us and the children for their good behaviour and making us smile.

Whilst the Year 3 and 4's were away the rest of Eagle Class went to forest school. They carefully painted rocks and used the wooden frames they made last week to do some weaving. These beautiful pieces of art work were then used to decorate the canopy area.

In Owl Class this week Year 1 children have been looking at the problems with rubbish in India, particularly plastics and talking about recycling. They have been given a Design and Technology project to create something useful from a plastic bottle. Reception children have visited China on their magic carpet, they have made their own walls and have eaten prawn crackers with chopsticks!

We have certainly made the most of the good weather this week and have all spent a lot of time outside, fingers crossed the sun continues to shine into next week. Happy half term to you all and we look forward to welcoming you back on the 3rd June.

Mrs Phillips

Mr Turull

School Photos All orders to be handed into the school office first thing on Monday 3rd June, or late order charges of £5 per order will be added by Nigel Coles School Photography Ltd. Whole School Photos also need to be ordered and paid for on Monday 3rd June.
