

We were really pleased to welcome the new Reception intake parents on Wednesday after school this week. We shared with them various pieces of information about the school and are looking forward to seeing them again, with their children, at a picnic in a couple of weeks time.

All being well with the weather, we have Sports Day on Tuesday next week. Our PE guru, Mr Groves, has put together an extensive programme of events and you are welcome to join us for part or all of the day if you would like, including picnic lunch. There is more information, including a programme of events for the day, in your child's book bag today.

We have now finalised the dates for the Swallow Class production. Please see these in the diary dates box below. The whole school will get to watch the performance in the Memorial Hall on Tuesday 7th July.

Mr Turull

News from the Classrooms

This week in Robins we have enjoyed our role play garage and practised for Sports Day with Mr Groves. The children have also enjoyed the story The Jolly Postman. We have talked about how the postman knows which letters go to which houses and realised most of our houses have a name not a number.

Kingfishers did Forest School activities on the field and made suncatchers.

During our Design Technology lesson in Starlings this week we made Rainbow Omelette Cupcakes. We then had a Teddy Bears picnic to enjoy them!

At Forest School Goldfinches made bird feeders using lard, bird seed, pine cones and string. We hung them from trees for all the birds to enjoy.

Swallows class have worked incredibly hard this week completing assessments and showing off just how much they have learnt this year! They had a reward this afternoon by watching their production of Dragon Days as well as enjoying some well deserved time outside reading and drawing in the shade.

Diary Dates for the Summer Term
