

### Year 6 Camp

Year 6 have been having great fun this week on camp at PGL Little Canada, Isle of Wight. They have been throwing themselves into a series of activities and challenges with energy and enthusiasm. Whether it has been tunnelling under ground or dangling high in the air they have really shone.

### Staffing

We have managed to keep staffing consistent for most of this term, with thankfully little Covid absence. However, some of you will have noticed that Mrs Williams has not been in school for the last few weeks as she is poorly. We wish her all the best and hope that she recovers soon and is able to join us back in school.

We both hope that you have an enjoyable Easter break and look forward to seeing you back in school on Monday 25th April.

Mr Turull and Mr Dix

We hope the children enjoyed their Easter eggs this week, there were lots of happy faces running around the playground searching for their names!

After Easter we will begin planning our sponsored 'Danceathon' for the children, to take place late May.

More will follow about an extra special day for the children which is currently being planned for the week before half term!

We are planning our next school disco (festival style) for the 1st July, so please save the date.

We will be holding a school uniform amnesty in the summer months, to pass on used but good condition school clothing. If you have any please hold onto it or pass on to Claire Rippon who has kindly offered to store it in the meantime.

***We hope you all have a cracking Easter break!***

**Mr Marvin's Thought of the Week**

***"Blessed are you who are poor,  
for yours is the kingdom of God.  
Blessed are you who hunger now,  
for you will be satisfied.  
Blessed are you who weep now,  
for you will laugh."***

(Luke 6:20-21)

There is a lot of persecution in the world at the moment, but it amazes me how much of it doesn't ever seem to reach the news. The situation in Ukraine is terrible and we only need to read the front page of a newspaper or Google the latest news on our phones to see just how bad things are. But what about the news that is not reported on?

For example, were there any reports about the situation in Nigeria, where around 10,000 people have been killed since 2015, many of these happening in the last 18 months? Christmas Eve 2020, 24 people were killed and more than 20 abducted in Borno and Adamawa states, with the perpetrators claiming it was a "Christmas present". Again, in August 2021, 34 people were killed in Plateau State when a bridge was destroyed to prevent the residents from escaping the attacks. In Kaduna State, 8 people were killed in May, a further 28 killed in July and another 47 in September.

In North Korea, there have been reports of "re-education" camps. A campaign group, called Korea Future, reported in 2020 that tens of thousands of people were being tortured and abused in these camps, compiling evidence from the testimonies of detainees who had managed to escape. Some of the conditions that prisoners have been put under are too shocking to share.

There are many more examples of persecution from countries like Eritrea, India, Kenya, Mali, Pakistan and Somalia, where people are being victimised, imprisoned and killed on a regular basis. You may ask, why is this happening? What do all these victims have in common? The answer - a Christian faith.

As we approach Easter, many Christians all over the world will be celebrating the season with an edge of caution. Easter is a time when the church becomes more visible and therefore more vulnerable to attack. In Sri Lanka 350 Christians were killed by suicide bombers in 2019, Christians in Egypt were attacked on Palm Sunday in 2017 and at Easter in Pakistan in 2016. There was also an attack on a church in Indonesia on Palm Sunday last year.

It almost seems that Jesus is speaking directly to these persecuted believers when we look at what he said in Luke chapter 6. Over the last three weeks, we have looked at how Jesus states that the poor, the hungry and the mourners are all blessed. This week we finish by looking at those who are hated because of their hope and trust in Jesus.

***“Blessed are you when people hate you,  
when they exclude you and insult you  
and reject your name as evil,  
because of the Son of Man.  
Rejoice in that day and leap for joy, because  
great is your reward in heaven.”*** (Luke 6:22-23)

Surely these Christians have a hope that goes beyond their day to day existence, otherwise they would deny their faith and put an end to their misery. That’s what Peter did.

After Jesus had been arrested and put on trial, Peter, who was one of his disciples, was asked by three different people if he knew and had spent time with Jesus. Peter didn’t want to suffer the same fate that Jesus had so he denied he knew him every time. It was at this point that Jesus turned to look at Peter. Peter’s denial of his faith didn’t put an end to his misery, it just made things worse and I’m not sure how long it took him to forgive himself.

The verses today also remind us of the persecution that Jesus went through from Maundy Thursday and into Good Friday. He was hated, excluded, insulted and rejected because of who he was and what he stood for.

For Christians, Good Friday is “good” because it means that Jesus has taken the punishment for all the wrong things they have done (and will no doubt continue to do) and they can receive forgiveness from God. They believe they will now experience eternal life in heaven where all fear, pain and sickness is dealt with.

Regardless of whether they are facing daily persecution or a fear for their lives or just maybe a loss of popularity, Christians all over the world can rejoice this Easter knowing this one thing - *‘great is your reward in heaven’*.

Blessed are you when men  
hate you, and ostracize you,  
and insult you, and scorn your  
name as evil, for the sake of the  
Son of Man. **Be glad in that day**  
and leap for joy, for behold, your  
reward in heaven is great.  
Luke 6:22-23
