

Leigh on Mendip First School

working together to achieve our best

Newsletter 28 - 26th June 2020

This week we said goodbye to our two Year 4's who are moving on to other schools. These unusual circumstances meant we had to break from our traditional farewell, however we did manage to get the group together. It was wonderful to see you all for a celebration tea party, thank you for coming.

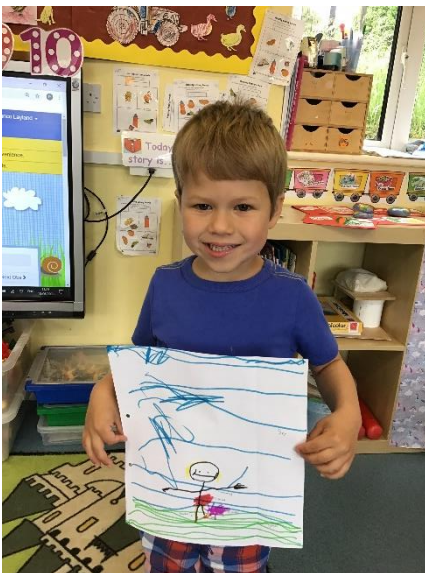

We have been very fortunate to have Ian Groves providing some social distance PE sessions this term and it has been a great success! Ian will be hosting a holiday club at Selwood Academy every day during the school holidays. If you are interested and would like to book a place for your child please look at his website www.igsportscoaching.co.uk

We have just a few photos for you; a little bit of home learning and some of the exciting work that Owl Babies have been doing.
