

Our numbers have increased again this week and we now have almost half the school back with us. It is a real shame that we do not have the space on site to offer any other year groups some time in school but we are now using every room, as well as Class 1 in the Hall. I will be asking the teachers to find some time next week to contact those parents that we have not heard much from since the half-term break and whose children are not in school to see if there is any more support we can offer for the last few weeks of term.

*Lockdown video number 11 has come through from Rev Adam Pitt: <https://vimeo.com/430256185>
The link to his Sunday service on Zoom is: <https://mailchi.mp/990b1a71e8d5/correction-for-paulton-prayer>
I had the pleasure of meeting Adam on Tuesday and among other things, we spoke about his plans for supporting R.E. and Collective Worship at our school. He is planning on visiting the children on the field next week bubble by bubble. We are also looking at taking the Year 6 up to the Church on the last week of term before they leave for secondary school, details of which will follow.*

The third activity in the Summer Virtual School Games was released this week and fortunately for Year 6 who are completing these in school, it was a task that was easy to do indoors as Thursday was not the best time to be outdoors! Scores can again be submitted at the following link. If you would like your child to take part at home but you haven't started yet, you can go back and complete tasks from the previous weeks before submitting those scores as well:

<http://www.wesport.org.uk/active-education/school-games/2020-summer-virtual-school-games/>

I hope you all have an enjoyable weekend

Mr Turull

Notices

- **Dance Umbrella Tickets** – we have now applied for the refunds for Dance Umbrella tickets and as soon as we have these, will let you know so you can withdraw the from ParentPay.
- **Free School Meals** – should your work situation have changed and you may now be eligible for Free School Meals for your child, then please contact the school office.
- **Nasal Flu Immunisation 2020-21** – For parents of pupils in Reception Year to Year 5, please remember to complete the on-line form if you would like your child to receive the Nasal Flu Immunisation in the winter term. The on-line form was sent via an e-mail link on Wednesday this week.
- **School Meals** – There will be no increase in costs for school meals for the new academic year 2020/21.
