

Leigh on Mendip School

Newsletter 29 - 28th May 2021

Thank you to all of you who have dropped and collected your children promptly and eased the parking situation outside school. The first week of building works have started well; the children have had a lovely time watching the diggers. This week we have had some large holes appear and lots of earth being moved!

Today we have had a visit from Helen Morrall with the Life Education Bus. She has been working with each year group in the hall focussing on aspects of well-being. This education service is based on the core values of safety, caring, achievement, resilience and friendship. Today's workshops included 'All about me', 'Feelings', 'Great to be me' and 'Friends'.

We have an exciting term planned to end this year and are extremely pleased that restrictions are beginning to ease to allow us to continue with some of our normal end of year events. Each class is busy planning school trips and we will let you know all the details once we have a confirmed trip organised for all the classes. Arts Week will also take place on the week beginning 28th June; we have secured Tatiana Hart for the afternoons to compliment the art work we have planned for the classrooms. Classes will also be visiting Forest School, preparing for Sports Day and Swallows are rehearsing ready for their performance in the last week of term.

Clubs after half term will continue as they are. Please email the office if you would like to sign up your child for a term of ElliArt club or Yoga club, as places are booked on a first come first served basis. Sunflower Club and Sports Club can be signed up for on a weekly basis. Details of all the clubs are on the next page under Diary Dates and they cost £4 per week, apart from ElliArt costing £5.

I do hope the sun shines and you all have a restful half term. We all look forward to seeing you on the 7th June.

Mrs Phillips
