

Thank you to everyone who has confirmed that their child will attend the transition sessions for pupils in Years 2-5. If you haven't yet replied, please can you let us know so we can set up the rooms accordingly on the day.

I mentioned that we would be sending out a parent questionnaire, but since then the Trust have designed their own one, so that opinions can be sought on how parents feel the return to school will be. As all of our parents also had the opportunity to complete a questionnaire for our Ofsted inspection back in January, I won't send out another one on top of this. The Trust form will be sent out at the beginning of next week by email.

The Government have published a document for school reopening in September. All the Headteachers are having a conference call this afternoon to discuss how this will work across the Trust and then I will send out a letter to you next week outlining the specifics for our school, including breakfast club and after-school clubs.
