

It feels like it has been an exceptionally busy week here in school and with only two weeks left to go we still have a lot to fit in before the summer break.

Reports

These are being emailed out to you today by your child's class teacher. Please check your spam if you do not receive it by the end of the evening. If you would also like a paper copy, please just let us know (either through the teacher or the office).

Parent Consultation Sessions

The sessions are next Wednesday afternoon and you should have received information regarding booking from the school office. Please use this time to discuss any issues arising from the school reports as well as any other questions or concerns you may have.

Transition

Although we were not able to hold all of our usual transition this year, we did welcome Miss Foote into school on Wednesday, when she met all of the current Swallow class in one-to-one sessions. She also joined us for a staff meeting and is really looking forward to starting with us in September.

Sports Day

A huge thanks to Mr Groves who came in and led a bubbled Sports Day on Monday. Each class had a chance to go on our school field and take part in a variety of activities and races. Well done to the 'Yellow' team who came out victorious.
