

What an amazing Arts week we have had! Here is just a snippet of what lovely work we have taken part in, I'm sure you have enjoyed the updates on Seesaw too. Huge thanks needs to go to FOLS who have generously financed these fantastic opportunities. I know that the children have thoroughly enjoyed the week and we have some beautiful art work to show you. Please come and view our exhibition next Tuesday and Wednesday afternoon in the school hall at 3pm.

Here are just a few photos of some of the activities; Kate Pasco from the Egg Theatre treating us to a drama workshop in the hall, Jen Mullier and her beautiful tile mosaic work, Mary Cross creating willow sculptures and bird feeders, Pete Francis from STOMP getting us all moving and being creative with rhythms (including teachers!), Jordan and Marcia from Jamma de Samba waking the village with the super drumming, Katrina Hart our olympic athlete leading activities on the field, and finally Frazer Meakin from Bristol Old Vic continuing our drama theme for the week. As well as this the children have been creative in class with their teachers. A busy week, I'm sure you will agree!

One final note before wishing you a fabulous weekend. We are so thrilled to see so many parents have been able to join us for the celebration assembly on a Friday. Please remember that the children do not know if they have been picked for Star of the Week so we would be grateful if you would keep it a secret!

Thursday 13th	Kingfisher Class trip to Puxton Park
Friday 14th	Swallow Class play performance at 6pm
Tuesday 18th	Reserve Sports Day
Friday 21st July	Celebration Assembly at 11am Memorial hall for our Year 6 leavers with a violin performance by Goldfinch Class.

### News from the Classrooms

It was Arts Week in Robins this week, our topic was Elmer and we enjoyed sponge painting a giant Elmer and listening to all his stories. We've had visitors who have taught us Stomp dancing, drumming and mosaics. We all had lots of fun.

During this Arts week our topic was a wonderful book by Peter Reynolds "The Dot". We created 2 pieces of art and learned a song about the book. We also took part in drama, willow weaving, music and mosaic workshops amongst other activities. In Maths we reviewed the days of the week and months of the year. The year 1s completed their Little Wandle phonics lessons and felt a great deal of pride and accomplishment.

Starlings have had an enjoyable week this week, trying our skills at lots of different creative activities. The focus was 'colour' so we created hot air balloon scenes using different types of media which will be on display in the art exhibition.

Preparations are well under way for the Goldfinch Class play, we are really looking forward to performing it for you all!

Swallows have absolutely loved Arts Week with some of our highlights including; creative acting workshops, and drumming to our hearts content! We have also explored reflection in Science and got to grips with some complex Maths problems!
