

Leigh on Mendip School

Newsletter 6 - 9th October 2020

Kingfisher Class are now happily learning in their brand new classroom. The children have settled in well and we would like to thank all the staff who gave up their time last weekend getting it all ready, as well as the site staff from the Trust, who came over and moved all the furniture back from the Memorial Hall in the torrential rain last Friday.

Next term we will be swapping over our after-school clubs, so that there will be clubs available to Kingfisher and Starling Classes on a Monday (Elliart), Wednesday (IG Sports) and Friday (Yoga), while the Swallow Class will have Sunflower Club on a Tuesday and Dance Club on a Thursday. A letter will be sent home with more details.

All children in the school have a login to DoodleMaths but only a handful of them have been using this resource in the last few weeks. If you have misplaced your child's login then please ask your child's teacher who will be able to let you know what it is. We are hopeful that by Term 2 all the children in the school will be up and running with this again, as it is a great resource to support your child's learning in maths.

Next week is our Harvest week here at Leigh and as we mentioned last week, there will be the opportunity for children to bring in food items that will be passed on to the Fair Frome Food Bank. There will be a box by the gate at the beginning and end of each day next week which will be collected on Friday. The food bank has asked for items such as: soup, tinned fruit, tinned custard, sauces for rice, tinned vegetables, biscuits, coffee, tinned snacks, juice/squash, sugar and toiletries. Many thanks for your support with this.

Robins Update

This week at Robins preschool we explored language of size taking inspiration from the Goldilocks Story. We acquired vocabulary such as large, medium and small and the name of basic shapes.

We continued with a variety of finger gym activities to help improve finger strength and fine motor skills, cutting leaves with scissors, making porridge bowls with plasticine and tracing shapes and letters of our name. During our Letters and Sounds sessions we used instruments to add sound effects to our stories.
