Introduction

What is the *No Nonsense Spelling* Programme?

The *No Nonsense Spelling* Programme was devised to offer teachers a comprehensive yet accessible progression in the teaching of spelling. Guidance, rather than prescription, is provided on how to teach the strategies, knowledge and skills pupils need to learn.

The focus of the programme is on the *teaching* of spelling, which embraces knowledge of spelling conventions – patterns and rules; but integral to the teaching is the opportunity to promote the *learning* of spellings, including statutory words, common exceptions and personal spellings.

The programme

- delivers a manageable tool for meeting the requirements of the 2014 National Curriculum
- has a clear progression through blocks of teaching units across the year
- comprehensively explains how to teach spelling effectively.

How *No Nonsense Spelling* is organised

The programme consists of the following elements:

- The requirements of the National Curriculum, which have been organised into strands and then broken down into termly overviews. The overall pathway can be found on the USB stick.
- Termly overviews that have been mapped across weeks as half termly plans. These follow a model of five spelling sessions across two weeks, except in Year 2 where sessions are daily.
- Daily lesson plans for each session, with Supporting Resources, including word lists and guidance on conventions.

The lesson plans

The lessons themselves then follow the structure below:

Lesson	<i>Reference to year group, block of lessons and lesson number in sequence</i>
Lesson type	<i>Revise/Teach/Learn/Practise/Apply/Assess</i>
Lesson focus	<i>The particular spelling focus for the day</i>
Resources needed	<i>A list of the resources that will be needed. These might be documents that are photocopied or printed in advance so that flashcards can be prepared, or presentations to display the task/activity on a whiteboard. The resources are featured at the end of each book for reference. Editable versions are available on the USB stick, which can be copied and pasted into your own documents and edited.</i>
Teaching activity	<i>Key teaching points, sometimes including extra notes and tips for the teacher</i>

Each lesson is approximately 10 to 15 minutes long, but lesson plans are flexible so that the teaching can reflect the extra time needed on a teaching point if required. The Supporting Resources at the back of each book can be used as appropriate to adjust the pace and focus of the lesson. Each lesson clearly signposts when additional resources from the Programme can be used.

Supporting Resources

The Supporting Resources include pictures and word lists, which can be photocopied and made into flashcards or used in classroom displays, and pictures. They also include games and quizzes. The Resources are featured at the end of each book for reference and as editable Word documents on the USB stick, which can be copied and pasted to be used on classroom whiteboards and in other documents.

Teaching sequence

The programme has been written broadly following a teaching sequence for spelling, whereby each new concept is taught, practised and then applied and assessed. Frequently there is also a 'Revise' session before the teaching session. A typical teaching sequence is as follows:

Within the lessons, the particular focus is identified, followed by suggested teaching strategies.

By integrating activities for handwriting, the benefit of making a spelling activity kinaesthetic is secured. The pupil acquires the physical memory of the spelling pattern as well as the visual. Integral to the process is the scope to encourage pupils to learn spellings. The value of a school policy and possible approaches are explored further on page 9, 'Learning spellings'.

You will find the following referred to in the lessons:

Modelling: An activity is described, and it is anticipated that the action expected of pupils is modelled to them first.

Spelling partners: Pupils are asked to work in pairs, often to 'test' each other. They will be asked to work with their spelling partner from time to time.

Assessment

Pupils' learning is assessed throughout the programme. The 'Apply' part of the sequence regularly includes assessment activities to identify if pupils have learnt the key concept taught. These activities include:

- Testing – by teacher and peers
- Dictation
- Explaining
- Independent application in writing
- Frequent learning and testing of statutory and personal words.

Error Analysis

Error Analysis can be used to assess what strategies pupils are using in their day-to-day writing. It can also help identify where to put emphasis in the programme – for the whole class, groups or individuals. Error Analysis can also be repeated to assess progress over a longer period of time.

A template for a suggested grid for Error Analysis can be found in the Supporting Resources.

How to complete an Error Analysis:

- 1 Choose one piece of independent writing from each pupil.
- 2 Identify all the spelling errors and record them on the grid. Decide what you think is the main source of the error and record the word in the corresponding column. It is a good idea to record the word as the pupil has spelt it.
- 3 Identify any patterns. Quite quickly you will be able to see which aspect of spelling needs to be addressed.

The headings on the grid included are

- Common exception words
- GPCs (grapheme–phoneme correspondences) including rarer GPCs and vowel digraphs
- Homophones
- Prefixes and suffixes
- Word endings
- Other.

These headings correspond to key strands within the National Curriculum. These could be changed or further areas added if needed.

Year	Common exception words	GPC (includes rare GPCs and vowel digraphs)	Homophones	Prefixes and suffixes	Word endings	Others
	firend whent	perants fir clouser (closer) flow (flew) amzing nealy eaven	their (there) x 2.	phond horrerfied		arguement argement

Complementary resources

To support the teaching, additional resources are recommended and referred to throughout the programme.

Spelling journals

Developing the use of spelling journals can support both teachers and pupils in many ways. They enable

- pupils to take responsibility for their spelling learning
- pupils to refer back to previous learning
- teachers to see how pupils are tackling tricky bits of spelling
- teachers and pupils to discuss spelling with parents and carers

Spelling journals can take many forms and are much more than just a word book. Spelling journals can be used for

- practising strategies
- learning words
- recording rules/conventions/generalisations as an aide-memoire
- word lists of really tricky words (spelling enemies)
- 'Having a go' at the point of writing
- ongoing record of statutory words learnt
- investigations
- recording spelling targets or goals
- spelling tests.

In the programme, there is flexibility for journals to be set up in a variety of ways. Below are a few recommendations:

- Make sure that the journal can be used flexibly. A blank exercise book gives much more scope for pupils to try out ideas and organise their learning than a heavily structured format.
- Model different ways of using the journal. A class spelling journal or examples from different pupils could be used to do this.
- Give time for pupils to use their journals and to review them.
- Do the majority of spelling work in the journal.

Have a go sheets	These are a key component of Strategies at the point of writing. They are introduced in the Year 2 programme and then revisited in Years 3, 4, 5 and 6. Schools need to decide how Have a go will form part of their spelling policy, together with the use of spelling journals and establishing routines for attempting unknown spellings. A Have a go sheet template is provided in the Supporting Resources. Have a go sheets can take several different forms, for example: • a large sheet of paper on a table that pupils write on when they need to. • sheets stuck in all pupils' books that fold out when pupils are writing • a book placed on the table open at a clean sheet for pupils to use. • a page in pupils' spelling journals. Note: it is important that teachers have an enlarged version of a Have a go sheet displayed for modelling when writing in any curriculum area and at any time in the school day. Introducing Have a Go: 1. Model writing a sentence and being unsure about how to spell a word. Talk about the tricky part in the word and some of the choices you might have for that part. You could refer to a GPC chart to find the choices if appropriate. 2. Model writing the word with two or three choices on your own enlarged version of a Have a go sheet and then model choosing the one that you think looks right and using it in your sentence. It is important that pupils learn to ask themselves the question 'Does it look right?' or 'Have I seen it like this in a book?' to help them make their choices. 3. If you are still unsure of the spelling, put a wiggly line under it in the sentence to signal that this needs checking by the teacher, or the pupil if appropriate, during proofreading time. 4. Model continuing with writing and <i>not</i> checking the correct version of the spelling at this point. This is important so that the flow of writing is not unnecessarily slowed. 5. Make sure you model this process briefly in writing in all curriculum areas. 6. Pupils use their own Have a Go sheet (or group sheet) whenever they write and refer to GPC charts and other classroom displays as support, as well as specific strategies that have been taught for using at the point of writing. 7. Remind them never to make more than three attempts at a word. Misspelt words will need to be corrected in line with your school's spelling and marking policy. Some of these words may be included in pupils' individual word lists for learning. To see lessons where Have a go strategies are first introduced, please refer to Year 2 Block 1 Lessons 11 and 17.
GPC (grapheme-phoneme correspondence) choices chart	The teaching of spelling complements very much the teaching of phonics. It is anticipated that the school will draw upon the GPC charts used in their phonics programme to work alongside the teaching of spelling.

Individual whiteboards	Individual whiteboards these can be used in a variety of ways to support lessons including checking spelling attempts, Quickwrite and Have a go.
Working wall	It is really useful to have a small area of display space in the classroom that can reflect current teaching focuses and provide support for pupils' spelling as they write. GPC charts, reminders of common spelling patterns or conventions and tricky words to remember could be part of a working wall for spelling.

Learning spellings

A school policy can help inform

- the strategies for learning spellings that are being taught
- routines for learning spellings
- links with home learning.

Learning needs to happen in school and at home. There is little evidence, though, that the traditional practice of learning spellings (usually 10) at home and being tested on them (usually on a Friday) is effective. However, there is a high expectation within the new National Curriculum that pupils will learn many increasingly complex words. Within the programme, learning spellings is built into each six-week block. Within the sessions a range of strategies for learning spellings are introduced and practised. This enables pupils to choose the strategies they find most effective for learning different words.

Tips for learning spellings at home

Learning at home needs to be an extension of the practice in school. Consider

- limiting the number of words to five or less a week to ensure success and enable deeper learning
- making sure pupils and parents have access to the range of learning strategies which have been taught in school, to use in home learning
- assessing spellings in context, for example: learning spellings in a given sentence, generating sentences for each word, assessing through unseen dictated sentences
- keeping an ongoing record of words learnt and setting very high expectations of correct application in writing once a word has been learned.

The learning strategies on the next two pages are introduced incrementally throughout the programme and can then be used to support learning spellings at home.

Look, say, cover, write, check	This is probably the most common strategy used to learn spellings. Look: first look at the whole word carefully and if there is one part of the word that is difficult, look at that part in more detail. Say: say the word as you look at it, using different ways of pronouncing it if that will make it more memorable. Cover: cover the word. Write: write the word from memory, saying the word as you do so. Check: Have you got it right? If yes, try writing it again and again! If not, start again – look, say, cover, write, check.
Trace, copy and replicate (and then check)	This is a similar learning process to 'look, say, cover, write, check' but is about developing automaticity and muscle memory. Write the word out on a sheet of paper ensuring that it is spelt correctly and it is large enough to trace over. Trace over the word and say it at the same time. Move next to the word you have just written and write it out as you say it. Turn the page over and write the word as you say it, and then check that you have spelt it correctly. If this is easy, do the same process for two different words at the same time. Once you have written all your words this way and feel confident, miss out the tracing and copying or the tracing alone and just write the words.
Segmentation strategy	The splitting of a word into its constituent phonemes in the correct order to support spelling.
Quickwrite	Writing the words linked to the teaching focus with speed and fluency. The aim is to write as many words as possible within a time constraint. Pupils can write words provided by the teacher or generate their own examples. For example, in two minutes write as many words as possible with the /i:/ phoneme. This can be turned into a variety of competitive games including working in teams and developing relay race approaches.
Drawing around the word to show the shape	Draw around the words making a clear distinction in size where there are ascenders and descenders. Look carefully at the shape of the word and the letters in each box. Now try to write the word making sure that you get the same shape. 

Drawing an image around the word	This strategy is all about making a word memorable. It links to meaning in order to try to make the spelling noticeable.  You can't use this method as your main method of learning spellings, but it might work on those that are just a little more difficult to remember.
Words without vowels	This strategy is useful where the vowel choices are the challenge in the words. Write the words without the vowels and pupils have to choose the correct grapheme to put in the space. For example, for the word <i>field</i>: f_____ld
Pyramid words	This method of learning words forces you to think of each letter separately. p py pyr pyra pyram pyrami pyramid You can then reverse the process so that you end up with a diamond.
Other strategies	Other methods can include: • Rainbow writing. Using coloured pencils in different ways can help to make parts of words memorable. You could highlight the tricky part s of the word or write the tricky part in a different colour. You could also write each letter in a different colour, or write the word in red, then overlay in orange, yellow and so on. • Making up memorable 'silly sentences' containing the word • Saying the word in a funny way – for example, pronouncing the 'silent' letters in a word • Clapping and counting to identify the syllables in a word.

Year 3 National Curriculum requirements

Pupils should be taught to

- develop a range of personal strategies for learning new and irregular words*
- develop a range of personal strategies for spelling at the point of composition*
- develop a range of strategies for checking and proofreading spellings after writing*
- use further prefixes and suffixes and understand how to add them (English Appendix 1)
- spell further homophones
- spell words that are often misspelt (English Appendix 1)
- place the possessive apostrophe accurately in words with regular plurals (for example, *girls'*, *boys'*) and in words with irregular plurals (for example, *children's*)
- use the first two or three letters of a word to check its spelling in a dictionary
- write from memory simple sentences, dictated by the teacher, that include words and punctuation taught so far
- proofread for spelling errors.

Block 1 – autumn first half term

Lesson	Year 3, block 1, lesson 1
Lesson type	Revise
Lesson focus	Suffixes from Year 2: '-s', '-es', '-er', '-ed', '-ing'
Resources needed	Supporting Resource 3.4
Teaching activity	Display a range of verbs and, as a class, add the above endings. Talk through why there needs to be spelling changes for some of the verbs. Show the chart in the Supporting Resource. Pupils record the verbs adding on endings. They check with partners that they are correct, then share as a class. Notes: - A short vowel sound indicates a doubling of the consonant - Verbs ending in 'e' have the 'e' removed before adding '-ed' or '-ing' Show what happens when you double the consonant and when you take off an 'e'. Pupils make notes about this in their spelling journals.

Lesson	Year 3, block 1, lesson 2
Lesson type	Practise
Lesson focus	Suffixes from Year 2: '-s', '-es', '-er', '-ed', '-ing'
Resources needed	Supporting Resources 3.5 (poem)
Teaching activity	Check that pupils can recall examples of suffixes from the previous lesson. Use the poem from the Supporting Resource and ask pupils to rewrite it as a poem about yesterday. Make up a poem about the class, and get pupils to add their own lines. Emphasise the correct spelling of the verbs.

Lesson	Year 3, block 1, lesson 3
Lesson type	Revise/Teach
Lesson focus	Revise prefix 'un-' Teach prefix 'dis-' (<i>disappoint, disagree, disobey</i>)
Resources needed	Supporting Resource 3.6 (prefix word cards)
Teaching activity	Discuss the term 'prefix'. Put two columns on your board – one headed 'un-' and one headed 'dis-'. Take a pile of word cards from the resource and sort them into the correct side of the chart discussing how the prefix affects the meaning of the word. Get pupils to practise handwriting 'un-' and 'dis-'. Call out some more of the words and pupils write them down three times with the correct prefix, focusing on handwriting.

Block 1 – autumn first half term

Lesson	Year 3, block 1, lesson 4
Lesson type	Practise/Apply
Lesson focus	Practise 'dis-' Apply prefix 'un-'
Resources needed	Spelling journals
Teaching activity	Ask pupils to tell their partners and then you what a prefix is. They should suggest some that they know. Write a word on the whiteboard and ask pupils to write the opposite down using a prefix. Dictate a sentence or two using the words. Examples: <i>He disliked this unkind boy.</i> <i>The king was displeased.</i> <i>He was disappointed because it was raining.</i>

Lesson	Year 3, block 1, lesson 5
Lesson type	Revise
Lesson focus	From Year 2: Apostrophes for contractions
Resources needed	Supporting Resource 3.7 (apostrophe phrase cards)
Teaching activity	Display the following sentences. Ask pupils to tell you what an apostrophe is and to find some in these sentences: <i>'Don't stay up too late,' shouted Mum.</i> <i>I didn't get any biscuits so you can't dunk them in your tea.</i> Where are they used and why? Read out or display some phrases from the resource. Pupils contract them and write the contractions in their journals. They mark each other's work in pairs and identify those that were not correct. Spend some time practising the words with Quickwrite. If pupils are not secure with these apostrophes for contractions, put in extra sessions for further practice.

Block 1 – autumn first half term

Lesson	Year 3, block 1, lesson 6
Lesson type	Learn
Lesson focus	Strategies for learning words: words from statutory and personal lists
Resources needed	Statutory word list for Years 3 and 4 (page 49)
Teaching activity	Introduce a learning strategy to pupils such as Pyramids. Pupils identify the tricky part of the word in up to five statutory words and try writing that bit as many times as possible in 30 seconds. Then do as below for each word: s s h s h o s h o u s h o u l s h o u l d Or do this in reverse. Practise this on the five words from the statutory list. Send words home for further practice. Encourage pupils to use learning strategies that work best for them.

Lesson	Year 3, block 1, lesson 7
Lesson type	Revise/ Teach
Lesson focus	Strategies at the point of writing: Have a go
Resources needed	Supporting Resources 3.2 (Have a go template) and 3.3 (GPC chart)
Teaching activity	Reintroduce the use of Have a go sheets (see Introduction page 8). Make sure pupils have access to and understand how to use a GPC chart to support spelling choices at the point of writing.

Block 1 – autumn first half term

Lesson	Year 3, block 1, lesson 8
Lesson type	Teach
Lesson focus	Rarer GPCs: words with the /ei/ sound spelt 'ei' (<i>vein</i>), 'eigh' (<i>eight</i>), 'aigh' (<i>straight</i>), or 'ey' (<i>they</i>)
Resources needed	Supporting Resource 3.8 (/ei/ sound list)
Teaching activity	Ask pupils to name as many ways as possible that they know of to spell the /ei/ sound. Spend three minutes generating as many words as possible that pupils know with the /ei/ sound in them. Add some words in such as <i>they, eight, eighty, eighteen, straight, vein</i>. Pupils record them in a chart according to the grapheme for /ei/. Which spellings do you find where? This can be differentiated so that some pupils only work with three spellings of /ei/, for example 'ai', 'ay' and 'a-e'

Lesson	Year 3, block 1, lesson 9
Lesson type	Practise
Lesson focus	Rarer GPCs: words with the /ei/ sound spelt 'ei' (<i>vein</i>), 'eigh' (<i>eight</i>), 'aigh' (<i>straight</i>), or 'ey' (<i>they</i>)
Resources needed	Supporting Resources 3.8 (/ei/ sound and homophones list) and 3.9 (/ei/ pictures)
Teaching activity	Play Countdown in pairs. Pupils time each other to read as many of the /ei/ sound words as they can from the list. Next, show the pictures. Pupils work out the words. They are: <i>rain, snake, brake, eight, sleigh, spade, tail, tray, shake, play, paint, grey</i> Model writing a word down and making a choice about the /ei/ grapheme and whether it looks right. Pupils sound out the words and write them down.

Block 1 – autumn first half term

Lesson	Year 3, block 1, lesson 10
Lesson type	Assess
Lesson focus	Rarer GPCs: words with the /ei/ sound spelt 'ei' (vein), 'eigh' (eight), 'ey' (they), 'aigh' (straight): dictation
Resources needed	Spelling journals
Teaching activity	Get pupils to practise handwriting on the words <i>they</i>, <i>day</i>, <i>made</i> and <i>baby</i>. Dictate the following sentences and then check handwriting and spellings: <i>They went away for the day.</i> <i>The sale was on Monday.</i> <i>We weighed the eight carrots and cooked them.</i> <i>It is a grey day and Agent Snail is surveying the sleigh.</i>

Lesson	Year 3, block 1, lesson 11
Lesson type	Learn
Lesson focus	Strategies for learning words: words from statutory and personal spelling lists
Resources needed	Statutory word list for Years 3 and 4 (page 49), personal spelling lists
Teaching activity	Go over the words from statutory list learnt in lesson 6 and see if spellings have been remembered. Introduce another spelling strategy, such as Trace, copy and replicate (See page 10). Give pupils a piece of paper folded into three columns. The statutory words should already be on the paper. Pupils add their personal words making sure they are spelt correctly. Instruct pupils to trace over the words, first time saying them out loud as they do so. Next, they write the words in the second column, trying to keep the same rhythm and saying them out loud again. They then fold the paper over and write the words from memory. Do this for the rest of the words. Tell pupils to practise these words at home by putting them into sentences and writing them out.

Block 1 – autumn first half term

Lesson	Year 3, block 1, lesson 12
Lesson type	Teach
Lesson focus	Homophones (<i>brake/break, grate/great, eight/ate, weight/wait, son/sun</i>)
Resources needed	Supporting Resource 3.8 (/eɪ/ sound and homophones list)
Teaching activity	Explain that a homophone is a word that sounds the same but is spelt differently and means something different. ‘Homo’ means ‘same’ and ‘phone’ means ‘sound’. Show some homophones and pupils orally compose sentences to use them in context. Use homophones that are unfamiliar to the class, for example: <i>where/wear</i> as well as <i>there/their/they’re, break/brake, son/sun</i> and <i>eight/ate</i>. Teach the difference in meaning and link to something that might make them memorable. Notes: <i>There</i> means ‘over there’ like ‘over here’. <i>Their</i> means it belongs to someone. <i>They’re</i> is a contraction for ‘they are’.

Lesson	Year 3, block 1, lesson 13
Lesson type	Practise
Lesson focus	Homophones (<i>brake/break, grate/great, eight/ate, weight/wait, son/sun</i>)
Resources needed	Supporting Resource 3.10 (homophone sentences)
Teaching activity	Display the sentences with missing words from the Supporting Resource. Pupils choose the correct homophone to go in them. For homework, pupils could take the homophones home and create their own sentences.

Lesson	Year 3, block 1, lesson 14
Lesson type	Assess
Lesson focus	Homophones (<i>brake/break, grate/great, eight/ate, weight/wait, son/sun</i>)
Resources needed	Supporting Resource 3.11 (/eɪ/ homophone pictures)
Teaching activity	Hand out sheets with the images on. Ask pupils to write down the correct homophone under each image. They are: <i>brake, eight, there, where, break, sun, son, wear</i> In pairs, pupils proofread their own writing to see if the correct version of homophones studied is used.

Block 2 – autumn second half term

Lesson	Year 3, block 2, lesson 1
Lesson type	Revise
Lesson focus	Statutory words learnt last half term Strategies at the point of writing: Have a go
Resources needed	Spelling journals
Teaching activity	Give a spelling test for the statutory words learnt last half-term. Get pupils to peer mark the tests. Spend time learning the words that were not correct. Strategies to use as taught in previous sessions are: - Pyramid words - Trace, copy and replicate Remind pupils of Have a go strategies using GPC charts and other strategies to support them as they are writing. Continue to model these in all writing.

Lesson	Year 3, block 2, lesson 2
Lesson type	Revise
Lesson focus	Homophones
Resources needed	Spelling journals or individual whiteboards
Teaching activity	Ask pupils to come up to the board in pairs. Show them a pair of homophones and ask them to represent the words through drawing. The rest of the class should write the words on their whiteboards or in their spelling journals when they know what they are. Check for accuracy of spelling. Identify those that pupils are not getting correct and reteach them.

Lesson	Year 3, block 2, lesson 3
Lesson type	Revise
Lesson focus	Year 2 prefixes and suffixes
Resources needed	Supporting Resource 3.12 (Year 2 prefix and suffix matrices)
Teaching activity	Put pupils in pairs. Using matrices from Year 2, pupils read out a word they have created and their partner writes it down. They check spelling and then change over. Pupils identify those that they need to work on more and take them home to learn.

Block 2 – autumn second half term

Lesson	Year 3, block 2, lesson 4
Lesson type	Teach
Lesson focus	Prefixes 'mis-' and 're-'
Resources needed	Supporting Resource 3.13 ('mis-' and 're-' root words)

Block 5 – summer first half term

Lesson	Year 3, block 5, lesson 1
Lesson type	Revise
Lesson focus	Previously taught suffixes ('-ed', '-ing', '-s', '-es', '-ness', '-ful', '-less' and '-ly')
Resources needed	Spelling journals
Teaching activity	Pupils share their understanding of a suffix and list those that they know. They practise handwriting these suffixes. Where are the issues with spelling these? Issues are likely to be in cases where they have to double the consonant or remove the 'e' from the root word. Use a range of words and explore ways pupils can remember the tricky one. Try out on a few words. Notes • A short vowel means you must double the consonant. • If the root word ends in 'e' this is dropped when adding a suffix beginning with a vowel letter (the exception in 'being').

Lesson	Year 3, block 5, lesson 2
Lesson type	Practise
Lesson focus	Previously taught suffixes ('-ed', '-ing', '-s', '-es', '-ness', '-ful', '-less' and '-ly')
Resources needed	Supporting Resource 3.26 (root words for suffixes)
Teaching activity	Use a longer list of words from the supporting resource. Pupils write them in their spelling journals, adding suffixes to them and thinking about any spelling changes – for example, <i>hope, hoping, hopes, hoped, hopeful</i>. They check with a partner. Collect more examples that pupils have seen in their reading and add to the Working wall.

Lesson	Year 3, block 5, lesson 3
Lesson type	Apply
Lesson focus	Previously taught suffixes: dictation
Resources needed	Spelling journals
Teaching activity	Get pupils to Quickwrite the words and suffixes that they find tricky. Dictate the following sentences and check spellings afterwards. <i>He hops and skips and smiles on his way to school.</i> <i>I am hoping that when Jo hopped she didn't hurt her knee.</i> <i>We are phoning the school and stopping the sharing of lollies.</i>

Block 5 – summer first half term

Lesson	Year 3, block 5, lesson 4
Lesson type	Teach
Lesson focus	Suffix '-ly' with root words ending in 'le' and 'ic'
Resources needed	Supporting Resource 3.27 ('-ly' matrix)
Teaching activity	Use the matrix, concentrating on the words ending in 'le' and 'ic'. As a class, read the words and add '-ly' to each. Discuss how they might be written down. This will be practised in the next lesson.

Lesson	Year 3, block 5, lesson 5
Lesson type	Practise
Lesson focus	Suffix '-ly'
Resources needed	Supporting Resource 3.27 ('-ly' matrix)
Teaching activity	Go back to the list used in the previous session and make up some conventions for adding '-ly'. Add a few more words to the chart: <i>friend, kind, week, lone, near, free</i>. Pupils use the conventions they have made and write down all the words, adding '-ly' to them. Check them. Pupils can take these words home to learn. Notes: - The suffix '-ly' starts with a consonant letter, so is added straight on to most root words. - If the root word ends in consonant letter 'y', the 'y' is changed to 'i', but only if the word is more than one syllable. - If the root words ends in 'le', the 'le' is changed to 'ly'. - If the root word ends with 'ic', then '-ally' is added rather than just '-ly' (exception: <i>publicly</i>).

Lesson	Year 3, block 5, lesson 6
Lesson type	Apply
Lesson focus	Suffix '-ly'
Resources needed	Supporting Resource 3.27 ('-ly' matrix)
Teaching activity	Reflect as a class on what you have learnt about adding '-ly'. Ask pupils to write notes in their journals. Using a range of the '-ly' words, get pupils to generate and write sentences with the words included.

Block 5 – summer first half term

Lesson	Year 3, block 5, lesson 7
Lesson type	Revise
Lesson focus	From Year 2: apostrophes for contractions
Resources needed	Supporting Resource 3.28 (full words for contraction)
Teaching activity	Pupils share why an apostrophe is used for a contraction. Display the full words from the resource. Add any that you know pupils do not write correctly. Pupils write down the contractions in their journals. Ask pupils to look through their own writing for examples of apostrophes for contraction. They should correct them if not used correctly.

Lesson	Year 3, block 5, lesson 8
Lesson type	Learn
Lesson focus	Strategies for learning words: words from statutory and personal spelling lists
Resources needed	Statutory word list for Years 3 and 4 (page 49)

Get pupils to sound out the words and write them down in their spelling journals. What do pupils notice? They should see that there are some more unusual ways of making the /ɪ/ sound. Any words that are not learnt should be carried over to an extra session the next day.

Lesson type	Practise
Lesson focus	Rare GPCs (/ɪ/ sound)

Resources needed	Statutory word list for Years 3 and 4 (page 49)
Teaching activity	Choose five words from statutory list and some words from individual lists. Pupils have six ways that they know how to learn words: • Pyramid words • Identifying tricky part of the word • Trace, copy, replicate • Look, say, cover, write, check • Drawing around the word to show the shape • Drawing a mnemonic around a word Pupils learn the new words.

Lesson	Year 3, block 5, lesson 14
Lesson type	Practise
Lesson focus	Strategies for learning words: words from statutory and personal spelling lists
Resources needed	Statutory word list for Years 3 and 4 (page 49)
Teaching activity	Practise handwriting using words from the statutory list. Write each word 10 times. Take words home to practise.

Lesson	Year 3, block 5, lesson 15
Lesson type	Apply/Assess
Lesson focus	Words from statutory and personal spelling lists
Resources needed	Statutory word list for Years 3 and 4 (page 49)
Teaching activity	In pairs, pupils test each other on the words they have been learning. They identify those words not spelt correctly and learn them using different strategies. You may need to provide an extra session here for learning and peer testing.

Block 5 – summer first half term

Lesson	Year 3, block 5, lesson 16
Lesson type	Revise
Lesson focus	From Years 1 and 2: vowel digraphs
Resources needed	Supporting Resource 3.30 (example grapheme family table)
Teaching activity	Choose three or four vowel digraphs that pupils are not secure with when writing – these may be included in topic words or from other areas of the curriculum. Follow the example table on the Supporting Resource to create similar tables for the phonemes you want to concentrate on. Dictate some words that have each phoneme in. Pupils write the words under each spelling. The completed grapheme family tables can be kept out for pupils to refer to when using their Have a go sheets and writing words that have the phonemes in.

Block 6 – summer 2nd half term

Lesson	Year 3, block 6, lessons 1–3
Lesson type	Revise
Lesson focus	Strategies at the point of writing: Have a go Spellings learnt in the last half term
Resources needed	Statutory word list for Years 3 and 4 (page 49)
Teaching activity	These are three sessions to revise and review last half term. Choose elements to focus on based on pupils' writing and their spelling work. Spend at least one session testing pupils on the statutory spelling list words that they have learnt so far over the year. Revise those not spelt correctly. Spend at least one session revising the use of Have a go routines and strategies. Remodel the approach including using GPC charts, words in the environment and other taught strategies. Continue to model and apply in all writing across the curriculum.

Lesson	Year 3, block 6, lesson 4
Lesson type	Teach
Lesson focus	The /ʌ/ sound spelt 'ou'
Resources needed	Supporting Resource 3.31 ('ou' word cards)
Teaching activity	Share the words from the resource and identify the sound that the 'ou' makes in each word. Draw attention to the spelling of the /f/ phoneme at the end of 'rough'. This is a very unusual example. Ask pupils to sound out each word and write it down. They then draw a box around the 'ou' and 'take a picture of it', committing it to memory.

Lesson	Year 3, block 6, lesson 5
Lesson type	Practise
Lesson focus	The /ʌ/ sound spelt 'ou'
Resources needed	Supporting Resource 3.31 ('ou' word cards)
Teaching activity	Give pupils copies of the words to share between two. In pairs, pupils take it in turns to read out an 'ou' word. Their partner writes the word down. They check the spelling on the card and identify those that need further work. Send these words home for further learning.

Block 6 – summer 2nd half term

Lesson	Year 3, block 6, lesson 6
Lesson type	Apply
Lesson focus	The /ʌ/ sound spelt 'ou': dictation
Resources needed	Spelling journals
Teaching activity	Dictate the following sentences for pupils to write: <i>You will be in trouble if you touch the young plant.</i> <i>The countryside is rough to walk on.</i> Check the spellings.

Lesson	Year 3, block 6, lesson 7
Lesson type	Learn
Lesson focus	Strategies for learning words: words from statutory and personal spelling lists
Resources needed	Statutory word list for Years 3 and 4 (page 49)
Teaching activity	Choose five words from statutory list and some words from individual lists. Pupils have five ways that they know how to learn words: • Pyramid words • Identifying tricky part of the word • Trace, copy, replicate • Look, say, cover, write, check • Drawing around the word to show the shape • Drawing a mnemonic around a word Pupils learn new words Take words home to practise further. If pupils need an extra session, add one in here.

Lesson	Year 3, block 6, lesson 8
Lesson type	Assess
Lesson focus	Words from statutory and personal spelling lists: pair testing
Resources needed	Statutory word list for Years 3 and 4 (page 49)
Teaching activity	Get pupils to test each others' spellings in pairs. Take feedback on how well everyone has done. Which words are still tricky? Make sure that any words that were spelt incorrectly are added to a list of words to learn next time.

Block 6 – summer 2nd half term

Lesson	Year 3, block 6, lesson 9
Lesson type	Teach
Lesson focus	Homophones (including <i>heel/heal/he'll</i>, <i>plain/plane</i>, <i>groan/grown</i> and <i>rain/rein/reign</i>)
Resources needed	Supporting Resource 3.32
Teaching activity	Introduce the homophones and their meanings. Use those from pupils's writing but also include those from the resource. Challenge pupils to try to create sentences that contain both or all of the words – for example, <i>He'll find that his heel won't heal.</i> Write their sentences down on strips of card to use in the next lesson.

Lesson	Year 3, block 6, lesson 10
Lesson type	Practise
Lesson focus	Homophones (including <i>heel/heal/he'll</i>, <i>plain/plane</i>, <i>groan/grown</i> and <i>rain/rein/reign</i>)
Resources needed	Sentence cards made in lesson 9
Teaching activity	Pupils choose a strip of card with a sentence on. They read it out to two friends who write it down. They check spellings and then another person from the group chooses a sentence to read out.

Lesson	Year 3, block 6, lesson 11
Lesson type	Apply
Lesson focus	Homophones (including <i>heel/heal/he'll</i>, <i>plain/plane</i>, <i>groan/grown</i> and <i>rain/rein/reign</i>)
Resources needed	Sentence cards made in the lesson 9
Teaching activity	Play a relay race to review homophones. Divide your class into six groups and have one person from each group come to the front of the line up to a large piece of paper. Read a sentence that uses one of a pair of homophones. If they write the word correctly their team gains a point. The winning team has the most points.

Block 6 – summer 2nd half term

Lesson	Year 3, block 6, lesson 12
Lesson type	Teach
Lesson focus	Proofreading
Resources needed	A range of sentences from pupils' own work, spelling journals
Teaching activity	Use a range of sentences with spelling errors. The errors should be in aspects that have been taught throughout the year. As a class, pupils identify the errors and correct them in their journals.

Lesson	Year 3, block 6, lesson 13
Lesson type	Learn
Lesson focus	Strategies for learning words: words from statutory and personal spelling lists
Resources needed	Statutory word list for Years 3 and 4 (page 49)
Teaching activity	Choose five words from the statutory list and some words from individual lists. Pupils have at least six ways that they know to help them learn words: • Pyramid words • Identifying the tricky part of the word • Trace, copy, replicate • Look, say, cover, write, check • Drawing around the word to show the shape • Drawing a mnemonic around a word Pupils learn the new words. GPC chart
3.3

These charts show the phonemes of English represented by the International Phonetic Alphabet together with their common grapheme representations. All Phase 5 GPCs are included together with other less common grapheme choices needed in Year 2 and above. The correspondences in the table are based on Received Pronunciation and could be significantly different in other accents. One example word is provided for each phoneme to support teachers unfamiliar with IPA. Other examples can be found in Appendix 1 of the National Curriculum.
