

10 February 2026

Dear Parents and Families,

## **'On Track' Celebration- Important Announcement**

The records continue to tumble! At the start of this week, our students reached a major milestone: **280,000 'On Track' Points**. This achievement already eclipses the 277,000 points earned throughout the *entire* previous year. We are immensely proud of the hard work and consistency our students have shown.

In order to recognise and celebrate every student for their contribution to this total there will be a non-school uniform day on Friday 13 February. Students will be able to wear their own clothes in exchange for a voluntary donation of £1 towards the Prom Fundraising committee.

Whilst this is a day for celebration and recognition, we are keen to make sure that the students understand the expectations for the day in advance so the day is a success. Please read the information below carefully-

- This is a normal school day. Students will be expected to uphold our high expectations for behaviour and conduct in lessons and around the school site.
- Mobile phones must remain in bags and not seen and not heard.
- Students will be required to bring all equipment required for lessons, this includes PE kit if there is a timetabled lesson. We advise that students continue to bring school bags.
- Please ensure that students dress suitably for a day at school and for the time of year. This means that students should not wear crop tops and shorts and skirts should be appropriate length. Similarly, tops and shirts should be suitable for a school setting. This means there should be no inappropriate slogans or motifs that would be considered offensive or not age appropriate.
- Facial piercings are also not allowed and students will be asked to remove these.

- Students are welcome to continue to wear school uniforms if they feel more comfortable to do so.
- If the school has any concerns about a child's appearance, we will make contact with home and take appropriate steps to resolve the matter before the student attends lessons.

We hope that all families will follow these guidelines so that we have a positive day and students are celebrated for the efforts so far this year.

If you have any questions or queries regarding the day, please feel free to make contact.

Yours sincerely
