

Dear Parents/Carers,

We are delighted to be supporting the NSPCC by taking part in Number Day on **Friday 4 February 2022.**

The NSPCC need our support more than ever. By raising money, we can help to fund their vital services such as Childline – the helpline that’s always there for children and young people whatever their problem or concern.

Making maths meaningful

Number Day is a great way to make maths fun and bring about a positive, ‘can-do’ attitude towards it. We will be having a fun day of maths activities and we will be taking part in *Dress up for Digits*. Pupils are asked to wear an item of clothing with a number on it (football shirt, cap, netball shirt or even a onesie!). To help raise money for the NSPCC, we are asking for a suggested donation of £1, and we’d love everyone in the school to take part in this special event.

We are a cashless school please can all donations be made via this link:

<https://www.nspcc.org.uk/support-us/ways-to-give/donate/>

It all adds up

We’re really looking forward to all the fun of Number Day, and we really appreciate your support. All the money we raise at Norton Hill Primary will make an enormous difference to children today and help the NSPCC be there for children tomorrow.

Thank you

Norton Hill Primary School
