26th January 2022

Dear Parent/Carer,

We have decided to make some changes to the spelling tests your child does.

As part of the ongoing extra support your child receives, they have been taking part in Units Of Sound. UOS is a computer-based programme designed to help with reading and spelling skills. It is a structured, multisensory programme that covers reading and spelling from simple phonics skills through to adult reading levels. The benefits of this can already be seen in work.

Therefore, instead of following the Purple Mash spellings, we will set individual spellings for each child based on the specific sounds they have looked at in previous weeks on UOS. This will be great consolidation for both short and long term memory. Each child's spellings will be different each week and will be sent home with homework on Fridays.

If you have any questions, don't hesitate to contact me.

Kind Regards

Mr Rideout
