May 2024

### Olympic Week 2024

Dear Parents and Carers,

To recognise the Olympic Games that are being held in Paris this year, Longvernal will be holding their very first Olympic-themed week which will run from **Monday 3rd June to Friday 7th June 2024**.

Each day, each classroom will focus on a different country that will be participating in the Olympic Games and every child will visit each classroom completing a variety of activities with every class teacher. Our themed days will include, music day, art day, sports day and culture day.

**Due to the change in timetable this week, there will be no forest or PE sessions. Forest and PE will begin Week 2 of Term 6.**

Over the half term holiday, children will be encouraged to create an Olympic-themed project. This can be on an Olympian or Paralympian, a specific Olympic sport, the Olympic torch or even a participating country to name but a few.. A sticker will be stuck into each child's Reading Record with further information.

On Friday 7th June (Culture Day) children are encouraged to come into school wearing something from a different culture. It would be lovely for children to be able to explain what they are wearing and what culture it originates from.

More details on Sports Day will follow separately.

Kind regards,

Miss Collins  
PE Co-Ordinator

**We are building a community where learners have no ceilings to their aspirations and successes. Everyone is respected and loved in their own right.**
