

time to

have Sun!

Wet and windy weather
doesn't stop us playing – we
just need a coat !

We are now allowed to play in the mud and wet grass, but only if we have wellies on. Lucky we have welly racks for all classes!

We LOVE dressing up and dancing to the music!

Remember, if you don't like a song, someone else might – so let it play! You might like the next one!

We can build, construct and stack – make sure your arms are free to move outside of tyres.

We like building dens, and spaces to hang out and relax in.

Once we have finished playing, we need to tidy up. If we touched in during lunch, we must help to put it away.

It might look like rubbish, but if we use our imagination it can be **ANYTHING** we want it to be!

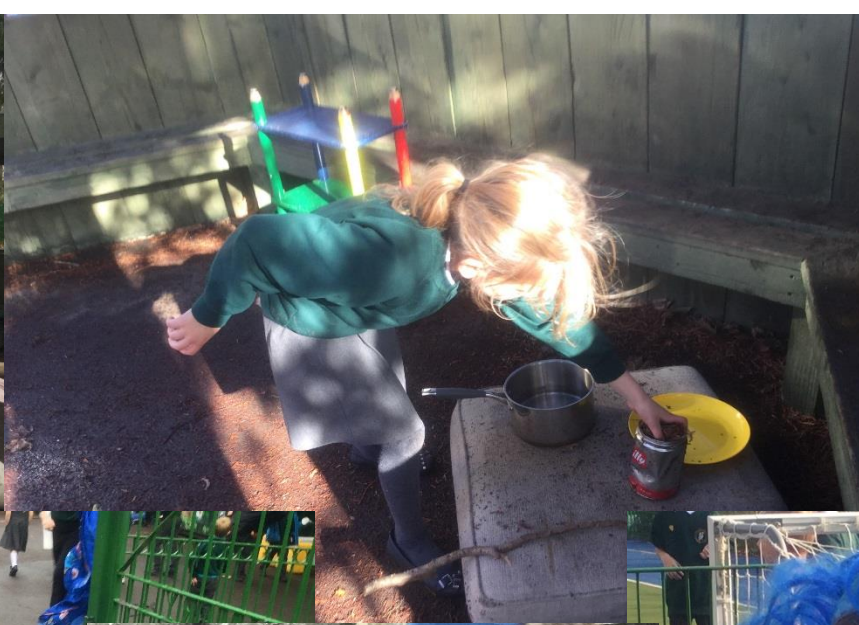

Playing together in groups, helps us to learn to take turns, share equipment and negotiate (talk about) our ideas.

Sometimes it is nice to have a quiet chat.

We decide together what the rules are, what feels safe, what is fun! Older pupils play with their younger buddies at Clutton!

Sometimes it's nice to
play alone

....and
sometimes we
have a great
time with our
friends!

OPAL
lunchtimes
ROCK!

Play IS
Learning!
