Dear Parents/Carers,

We would like all families to be aware that we received reports regarding a man acting in an allegedly suspicious manner in the community near the school at the end of the day. Our staff immediately investigated the situation and ensured that students were safe on their way home from school.

We would like to reassure you that similar steps will be taken tomorrow and next week. In addition the police have also been notified of the incident.

If your child walks home from school, we ask that you remind them to be vigilant and report any concerns immediately to a member of staff. Our team will maintain a high presence outside the site at the end of the day to support students as they leave the site. This is intended purely as a precaution to support our students.

We appreciate your understanding and co-operation as we prioritise the well-being of our school community. If you have any concerns, please feel free to contact us.

Yours sincerely

Mr P Balkwill
Headteacher
