Virtual Parents Evenings October 2023

Dear Parents/Carers,

We will be offering virtual appointments for parents/carers evening again this year. As well as being able to discuss progress and achievement during these appointments, we will ensure that there will also be opportunities to come in and look at your child's progress in their books over the year.

We will be offering regular 'show and share' sessions (3 times per year) with our first 'show and share'/meet the teacher' on the 18th September at 2pm.

Parents evening via video calls are on **Tuesday 17th October and Thursday the 19th October 2023**, using Schoolcloud. You are able to book your child's appointment online via the link below. The booking will close on 15th October at 12 noon. Please find step by step instructions below if required.

Please visit the weblink below to book your parents evening appointment.

<https://midsomernorton.schoolcloud.co.uk>

You will log onto the same Parents' Evening platform used to make appointments to take part in the video meeting. A reminder email with details will also be sent to you one hour before your appointment.

You are able to use any device with a microphone or speaker. This may be a mobile phone, laptop, computer or other similar device. If you would prefer not to use the video and just use audio, there will also be an option to disable the video.

On the evening of the appointment you will be able to see a countdown to the time of your appointment and can click to start the appointment. When the teacher is ready, they will begin the appointment.

Each appointment will be **8 minutes long** (again you will be able to see the countdown timer for the duration of the appointment). After this time, the call will automatically cut off to allow the teacher to start their next appointment. The call cannot be extended and if you miss your appointment time, unfortunately we will be unable to rebook your appointment.

If you have a question or concern that requires a longer conversation, please contact the office to arrange a meeting with your child's teacher. For children with special educational needs, parents and carers will be contacted to review support plans at the end of Term 1, this is in addition to this appointment.

Please book only one appointment per child. Two devices can attend the same meeting for families that may not live together, please ensure you invite the other family member on booking.

If you have any further questions please do not hesitate to contact the school office.

Yours sincerely

The School Office
