## Impact of the P.E. and Sports Grant 2016-17:

- An improved quality and range of provision within PE and sport at the school has enabled pupils to be more healthy and active
- Decisions on how to use the funding in the most effective way for our school has promoted considerable discussion and reflection amongst staff and the leadership of the school
- The FLP Sports Partnership has provided sporting opportunities for pupils and quality CPD for staff
- The structure this is developing will result in good value high quality provision within our local context into the future
- Pupils enjoy the increased opportunities to develop their sporting and physical education opportunities
- This enjoyment has had a noticeable effect on the self-confidence and self-esteem of many pupils; particularly those who do not necessarily excel in more academic areas of the curriculum
- The grant has provided the opportunity for the school to offer an appropriate and enhanced Gifted and Talented opportunity for pupils
- Increased understanding amongst pupils of the need for healthy lifestyles and how to achieve this and of the dangers of smoking, obesity, etc.
