

Peer on Peer Abuse PSHE Curriculum Audit

NH and SV 2021-22

Ofsted recently reviewed sexual abuse in schools across the country and had the following recommendations based on their findings:

- a carefully sequenced RSHE curriculum, based on the Department for Education's (DfE's) statutory guidance, that specifically includes sexual harassment and sexual violence, including online. This should include time for open discussion of topics that children and young people tell us they find particularly difficult, such as consent and the sending of 'nudes'
- high-quality training for teachers delivering RSHE

We have reviewed our PSHE provision with these findings in mind and have full coverage over all areas. We ensure these lessons are discussed regularly with students and staff and bring in specialists to train staff in these issues to support the delivery of these topics. We review these lessons frequently.

- Meeting 4 First Aid

Lessons have teacher instructions throughout the schemes of learning. Due to the particularly sensitive nature of the lessons at KS4 lesson specific 3I's have been written to set the tone and ensure confident delivery. We frequently signpost students as to where to go for help both within school and outside of school.
