Pre-Apprenticeship & Employment Programme

A Pre-Apprenticeship & Employment Programme is a 3 – 6 months long qualification with work experience, which you can start anytime and will prepare you for an Apprenticeship, employment or further study.

It's available for anyone aged 16-19 (up to 25 with an EHCP) qualified up to Level 3, with little or no work experience.

This is a flexible course! It's ideal if you don't have a clear career pathway planned and would like to gain some qualifications and experience in the world of work to find out what you like.

You'll be able to take part in work experience in any business sector – the choice is yours – whilst working on Level 1 or Level 2 qualifications. You can start anytime during the academic year.

What personal skills will I develop?

- Study skills
- How to raise confidence
- Improving communication skills
- Goal setting
- Budgeting
- Working with others
- Keeping safe
- How to cope with change & challenges in the workplace
- Work ethics
- Managing yourself & resilience
- Understanding Apprenticeships & T-Levels
- Understanding work place policies, pay slips & rules

What employability skills will I learn?

During this programme you'll gain skills to help with your employability, such as...

- CV writing & interview skills
- Behaviours & attitudes
- Professionalism
- Responsibility
- British values
- Employer expectations
- Job-seeking skills
- Presenting yourself digitally

Support

Throughout your qualification you'll be given support including...

- Support and action planning
- Skills, knowledge & work ready attitudes
- Careers education, Information, Advice & Guidance
- Mentoring, progression planning and reviews
- Smaller groups

Work Experience

You will undertake a work experience placement in your chosen sector and will do around 200 hours over the duration of your course.

What is a Level 2 Career Pathway Programme?

A Level 2 Career Pathway Programme is a 5 - 9 months long qualification, which you can start anytime and will help you follow your desired career path. It's available for anyone age 16-19 (up to 25 with an EHCP) qualified up to Level 3 with little or no work experience.

You'll also gain industry experience in your chosen sector. Maths and English is offered at Level 2 alongside your pathway. All career pathways will enable you to build a strong knowledge and understanding of the roles that sit within your chosen sector, developing the relevant skills for a variety of positions.

You will develop further during your industry placement and network with employers, who will help you in your chosen career pathway and in planning your next steps...

Choose your career pathway from the options below...

Animal Care

Business Admin

Childcare

Teaching Assistant

What personal skills will I develop?

- Study skills & goal setting
- How to raise confidence, manage yourself & resilience
- Improving communication skills
- Budgeting
