Dear Parents and Carers

St. Dunstan's PTA would like to take this opportunity to introduce our school's PTA to the community and to parents of the New Year 7s. We are sure you will all agree that St. Dunstan's is a special school and the PTA plays an important role in building this community.

Last year the PTA raised around £5,000 to help fund many projects around the school. However, the PTA is not just for fundraising, it is also there to support the school and contribute to making the school a more interesting and rewarding place for our children. For example, the PTA is organising next week's silent disco.

Over the next few months, the PTA has big plans. We opened the school car park for Glastonbury Carnival last weekend and will be open again for the Frost Fayre on the 30th November. We have the silent disco for students on the 28th November and we will hold our annual quiz night in February next year. We also always have a large supply of pre-loved school uniforms that are available for free.

All levels of involvement with our PTA is greatly appreciated – whether simply attending our events, offering some time to help at an event or becoming a committee member helping to not only organise events, but also choose how to spend the money that is raised.

We would like to invite all students to attend next week's silent disco. This is a new event for us and five teachers have volunteered their evening to act as DJs. This is going to be a fun event and is definitely something not to be missed! Tickets are on sale at reception for £3.00 per student.

If you are interested in getting involved, please do not hesitate to contact stdunstanscommunitypta@gmail.com

Best wishes
