Part A: Pupil premium strategy plan

Statement of intent

Our Pupil Premium offer is designed to maximise the potential of all children, especially those in receipt of Pupil Premium. We aim for our Pupil Premium children to be mentally well, socially and culturally aware and match or exceed other disadvantaged groups nationally in terms of academic outcomes and levels of attendance. We are adopting the 'tiered approach' of teaching, targeted academic support and wider strategies suggested by the EEF in their guide to Pupil Premium published in 2019. A copy of which can be accessed [here](#).

We have largely targeted our Pupil Premium funding on:

- Ensuring we provide first rate quality teaching through a commitment to ongoing professional development
- Targeted intervention where necessary to fill gaps, pre-teach and catch-up
- Pastoral care to ensure our children develop good mental health strategies, and
- Enriching experiences to motivate and engage our children academically and culturally

Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
1	SEHM and other health issues as barriers to learning and attendance
2	Identifying clearly any SEN needs for individual children
3	Gaps in prior learning
4	Lack of access to funds for trips, residential or quality reading texts or IT beyond the classroom
5	Disruptive behaviour

Intended outcomes

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

Intended outcome	Success criteria
PP children with identified SEN needs receive appropriate support and assessments	Accurate referrals and targeted interventions/signposting to other services is achieved
PP children are able to access the full range of inspirational clubs and trips on offer to them	Children have participated in, and can talk enthusiastically about, their extra curricular clubs and academic trips.
The quality of teaching within the school continues to improve through ongoing CPD	Teachers, and teaching assistants, are delivering consistently good lessons and interventions achieved through a commitment to ongoing high quality professional development which improves outcomes of all pupils inc. PP
The mental and physical health of our PP children improves	Take qualitative evidence from our children on how they are feeling and for them to be able to explain the importance of good mental and physical health

Activity in this academic year

This details how we intend to spend our pupil premium (and recovery premium funding) **this academic year** to address the challenges listed above.

Teaching (for example, CPD, recruitment and retention)

Budgeted cost: £ 3,200

	Activity	Evidence that supports this approach	Challenge number(s) addressed
1	<i>Staff Meeting time to embed the Write Stuff scheme</i>	The quality of writing and use of a wider range of vocabulary is achieved by the PP children, and gaps in writing (especially boys' writing closes) (Research: EEF Mastery Learning)	3
2	<i>Staff training time and leadership time with the teaching school in relation to phonics and early reading</i>	Leadership of early reading and phonics continues to improve and more PP children reach the required standard in their year group or national tests (Research: EEF Mastery Learning) (Research: EEF Phonics) (Research: EEF Improving literacy in Key Stage 1)	3

Targeted academic support (for example, tutoring, one-to-one support structured interventions)

Budgeted cost: £9,900

	Activity	Evidence that supports this approach	Challenge number(s) addressed
1	<i>Develop the role of a dedicated interventions TA</i>	Firm plans to develop our PP children and deliver traceable outcomes are managed by a high quality intervention teacher operating across the school (Research: EEF Effective use of Teaching Assistants) (Research: EEF Phonics) (Research: EEF Behaviour Interventions)	1,2,3,5
2	<i>Purchase of quality topic books to inspire learning and to develop reading skills</i>	Good quality, visual texts are purchased which motivate children to read. (Research: EEF Improving literacy in Key Stage 1) (Research: EEF Improving literacy in Key Stage 2) (Research: EEF Reading Comprehension Strategies)	3
3	<i>Use of personalised online learning platforms to accurately support non-directed learning</i>	Homework is only effective if it is targeted and personalised (EEF research) (Research: EEF Homework - especially digital technology at primary school)	4
4	<i>Use of Michelle Rochester to develop better self-esteem and behaviour</i>	Use of an expert in child development and wellness to support the needs of identified children on a weekly basis. (Research: EEF Behaviour Interventions)	1,5

Wider strategies (for example, related to attendance, behaviour, wellbeing)

Budgeted cost: £4,060

	Activity	Evidence that supports this approach	Challenge number(s) addressed
1	<i>EWO to monitor attendance</i>	The level of attendance achieved by our PP children either matches or exceeds that of all pupils in school and exceeds that of PP children nationally (Research: EEF Parental engagement)	1
2	<i>Outdoor activities to develop good mental health and physical activity (eg gardening on the school plot or participation in clubs)</i>	Children will thrive working with members of the wider community in a healthy environment with a defined outcome. Our children have taken part in EcoWild or sports clubs with the required financial assistance. (Research: EEF Social and Emotional Learning)	1,5
3	<i>Support families in participating in trips and residential and involve them in the life of the school</i>	No child misses a trip due to financial matters. Children will be able to give qualitative evidence of the impact of trips by talking about what they have seen or learnt. Parents are participants at school events, especially related to celebrating learning. (Research: EEF Parental engagement)	4
4	<i>Embedding good learning behaviours through our rewards scheme (ACE Learners) and revisit of values to support all children during INSET Day.</i>	Children who have good learning behaviours and understand how learning takes place, are better placed to make progress (Research: EEF Metacognition and self-regulation) (Research: EEF Behaviour Interventions)	5

Total budgeted cost: £17,160

Part B: Review of outcomes in the previous academic year

Pupil premium strategy outcomes

This details the impact that our pupil premium activity had on pupils in the 2020 to 2021 academic year.

2020-21 was a difficult year with the school adopting remote learning from January to March due to the COVID-19 pandemic.

All children in receipt of Pupil Premium leaving in Year 6 met or exceeded the Age Related Expectations in all areas.

Amongst our other Pupil Premium children, writing was a weakness. The investment into a new writing structure has been implemented into our 3 year plan as a result of identifying this weakness.

Externally provided programmes

Please include the names of any non-DfE programmes that you purchased in the previous academic year.

This will help the Department for Education identify which ones are popular in England

Programme	Provider
Write Stuff	The Training Space
Doodlemaths	EZ Education
Reading Eggs / Eggspress	3P Learning
Phonics Play	Phonics Play Ltd
Developing Experts (Science)	Developing Experts
Teach Computing	STEM Learning

● Further information

The Pupil Premium Strategy will be overseen by the PP lead, with challenge and support offered by the school's named Governor for Pupil Premium.

It is intended that an update on Pupil Premium will be given to the Local Governing Body (LGB) at least 3 times per year.

This strategy is intended to run for a period of 3 years and will be updated as necessary during that time period.
