Tuesday 2nd October 2018

Dear Parents and Carers,

## Reception Phonics Information Session

**Time:** 3.30pm – 4.00pm

**Date:** Tuesday 9th October 2018

**Location:** Star classroom

One of our school priorities this year is to develop essential phonics and spelling skills across the school. Phonics understanding is a huge part of your child's education and underpins their development of reading and writing.

During the session, we will be sharing our strategies for teaching phonics in Reception and a range of games we play. There will be opportunities to explore the materials we use and we will explain how to use the flashcards that are being sent home. We will also share information about the expectation of children by the end of Reception and explain how we will support children in reaching this.

There will be a crèche available (for children of Nursery age or older) in the other half of the class.

We look forward to seeing you on Tuesday 9th October.
