18 March 2022

Dear Year 6 Parents,

SATs are fast approaching. We have been working hard in school to ensure the curriculum has been covered and to prepare the children for the tests.

To help your child prepare for the SATs, they will have some practice to do at home over the next few weeks. Hopefully this will equip them for a positive experience where they can show what they know and can do. Weekly, this will consist of 2 short maths exercises to do and one longer reading practice. In their pack, there are also two revision books to use to revise from or to double check a method if they are not sure. Please encourage your child to complete their homework promptly and bring it into school on the correct day so we can use it to identify and sort any misconceptions.

Subject	Day Given	Day of Return
Maths @10 mins	Friday	Tuesday
Maths @10 mins	Wednesday	Friday
Reading	Friday	Friday

Every child should still be reading regularly for at least 30 minutes at least 4 times a week to develop their reading stamina and doing DoodleMaths daily. I will be asking them to do this at break times if they are not doing it at home.

The timetable for SATs week is on the reverse of this letter.

If you have any further questions about SATs or ways to help your child, please ask.

Yours sincerely,
Mrs Dixon and Miss Klinkert
