Trinity Church School - Statutory Inspection of Anglican and Methodist Schools (SIAMS) Report

1st July 2025

Dear Parents and Carers,

I am delighted to share with you the final report from our recent SIAMS (Statutory Inspection of Anglican and Methodist Schools) inspection at Trinity Church School.

We are incredibly proud of the outcome, which we believe truly reflects the values, care, and dedication that define our school. The report praises Trinity as “*an exceptionally warm and accepting community*”, where our deeply rooted Christian vision, **Learning, growing, believing together** shapes every part of school life and enables both children and adults to flourish.

We were particularly pleased that the inspector recognised:

- A Christian vision that is deeply embedded and uniquely relevant to our local community.
- The central role of collective worship in nurturing a strong sense of belonging and spiritual growth.
- The compassionate and inclusive culture that supports the wellbeing of all members of the school family.
- The high-quality leadership and delivery of Religious Education, which fosters curiosity and respect for a range of worldviews.

The report also celebrates our children’s confidence, kindness, sense of justice, and joy in learning. It is a testament to the work of our dedicated staff, the support of our Trust and governors, and the strong partnership we share with you as parents and carers.

One development point was identified - to deepen opportunities for pupils to encounter spirituality across the curriculum. We welcome this recommendation and are excited to build on the excellent foundations already in place.

I encourage you to read the full report, which I have included with this letter. It is a celebration of all that makes Trinity Church School such a special and inspiring place.

Thank you for your ongoing support.

Yours sincerely,

Michelle Parsons
