

In English, first we will be studying a narrative from Australia- Wombat goes Walkabout and our second piece is a non-fiction Postcard based on Meerkat Christmas.

In maths we will begin by completing our unit on addition and subtraction and then move on to shape- recapping both 2D and 3D shapes and ensuring that children understand each ones properties.

The Food Chain Of An Owl

Our science topic is Living things and their habitats. We will begin by looking at things that are alive, dead and have never been living. We will then look at the journey food takes as well as the food chain.

Our geography topic is Amazing Earth, looking at the continents, oceans and seas. We will look at ecosystems, climate and populations.

Starling Class Term 2

This term we swap from art to design technology. We will be learning how to join two pieces of fabric together to design and make a puppet.

Mr Groves will be teaching PE on a Tuesday and myself on Fridays. I will be teaching dance.

Daniel Smith will be teaching music every Tuesday.

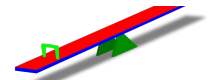

For PSHE we follow the Jigsaw program. This term we will be studying Celebrating Differences between boys and girls and think about standing up for ourselves & helping others.

Our focus in RE continues from last term- The Gospel.

For computing we will be looking at digital photography.

I will continue to send you weekly updates on Seesaw.
