

In English we will study the biography of Grace Darling then write a biography for a famous Victorian that we learnt about in history last term. We will then move on to another narrative.

Our geography unit is Australia where we will look at both the cities and more rural areas. We will also look at the Great Barrier Reef and how Christmas is very different in that climate.

For PSHE we follow the Jigsaw program. This term we will be looking at Healthy Me in which the children will look at healthy diets, healthy life-styles and medicine safety.

In maths, Year 2 will continue their multiplication and division unit and the Year 1 place value to 50 then both year groups will look and height & length and mass and capacity (for Year 2 including temperature).

Starling Class Term 4

In music we will be inventing a musical story for The Three Little Pigs. We will think about each character in turn and create a piece of music to match them.

Mr Groves will be focusing on steam building during our weekly PE session on a Tuesday and we will be looking at striking and fielding on a Friday..

Our focus in RE will continue looking at Christianity and the festival of Easter.

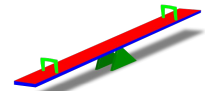

For computing we will be looking at data and how to represent this information as pictograms

Our science topic is Animals, including humans focusing on growth. We will look at what both animals and humans need to survive and look at the importance of healthy food, exercise and hygiene- linking this to PSHE.

This term we will swap back to Design Technology and will be looking at mechanisms- axles and wheels. We will design and test vehicles.

I will continue to send you weekly updates on Seesaw.
