Tuesday 9 January 2024

Dear Parents/Carers,

STEM Week Fair, Thursday 18 January

As you may be aware, next week marks STEM (Science, Technology, Engineering, and Maths) week at Longvernal. We are fortunate to have numerous exciting events and demonstrations scheduled throughout the week. On Thursday, the children will be showcasing some of their experiments at a STEM fair during the school day. Following school hours, we invite you to observe these demonstrations firsthand in the school hall from 2:30pm to 3:10pm.

We look forward to seeing you then.

Kind Regards,

Mr. Dobson

We are building a community where learners have no ceilings to their aspirations and successes. Everyone is respected and loved in their own right.
