

In **English** we will write a story with tension as well as look at informal letters and persuasive adverts.

Maths

Children will follow their individual year group Maths focusing on: Place Value, Addition and Subtraction, Multiplication and Division

In **Science**, we are looking at States of Matter including classifying materials as solid, liquid or gas and relating this to the water cycle.

Our **History** unit is the Romans. We will consider why the Romans came to Britain, why they became Christian and the legacy they left behind.

Swallow Class Term 1

This term in **Art**, we will consider Drawing through the unit 'Power Prints' which considers proportion, mixed media and printing.

In **Music**, we will look at classical and contemporary composers.

In **RE**, we will look at Hinduism considering Dharma, Deity and Atman.

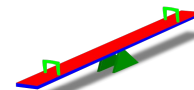

Mr Groves will be focusing on ball games in **PE** and we will go to Wren Woods on Thursdays.

For **PSHE** we follow the Jigsaw program. This term we will be looking at Being Me In My World. We will consider being a class team as well as rights and responsibilities.

In **French**, we will look at classroom greetings, months, dates and seasons.

For **Computing**, we will work on e-safety as well as looking at the Internet.

I will send you weekly updates on Seesaw.
