

13 March 2023

Dear Parents and Carers,

As you know there are two days of industrial action planned for Wednesday (15th) and Thursday (16th) this week.

I now have a reasonably clear idea of how many staff will be in school and have taken the decision that we will have Years 10 and 11 in school with work being set for all other students on Google Classroom.

Please note that there is a separate Google Classroom for strike day work - students need to accept the invitation that will have come via their school email. If you child has not received the invitation, please email secretary@stdunstansschool.com and we can resend the invite.

Thank you, as always, for your support in these difficult circumstances.

Yours faithfully,

Lynda Bevan
Headteacher
