Head teacher welcome and goodbye :

Welcome to the last new of this academic year, and my last newsletter as head teacher of Clutton Primary. It is a bittersweet time for me: I will really miss the whole school community. We know as head teachers, that we are caretakers—playing an important yet brief role in the long history of a school and its community. It has been an absolute privilege and joy to be a part of such a special place, with such dedicated staff and lovely families. Teachers choose education to 'make a difference', and I feel proud and pleased to leave Clutton as a strongly good school, and in the very capable and safe hands of Mr Turull. I know he will lead Clutton onwards and upwards, with the support of Mrs Cowgill and the team.

As my first headship, Clutton will always be a very special place for me, and I look forward to visiting in the new academic year. I am off to head Peasedown St John Primary, with its 540 pupils—a new challenge, and one I am excited about. I can't wait to launch Forest School and OPAL there—seeing the joy it has brought to pupils here. I wish you all well and thank you for your support over the last five years.

Thanks to all the staff, governors, families and pupils.

Year 6 roles and responsibilities 2021—2022:

Mr Rideout, Mr Turull and Miss Ennew had the unenviable task of allocating Year 6 roles for next year. The lovely Year 5s are wonderful and all put forward very persuasive cases for the roles they wanted. The sportsmanship we saw when we gave out roles and badges was super, and demonstrates what a great Year 6 they will

This year, we have been using Forest School sessions in lots of ways. We have used them for cookery lessons. Design Technology when fixing and joining, in Science linking to plants, mini beasts, habitats. For outdoor story telling and for nurture. I am sure it will continue to be a centre point for the school.
