3rd May 2024

Dear Parents/Carers,

Section 8 Ofsted inspection report - March 2024

We are pleased to be able to share our [school inspection report](#) from last term.

As a section 8 inspection, this was an ungraded inspection. This means that our Ofsted rating of 'Good' was not anticipated to change as a result and we are delighted that our school has retained its 'Good' rating.

The inspection report recognises that pupils **"love attending Trinity Church School"**, which is a **"friendly and inclusive"** school where **"Pupils 'learn, grow and believe together' in a culture where everyone is respected."**

This achievement would not be possible without Trinity's incredible staff team, who are championed in the report; it recognises that staff have, **"high expectation of what all pupils can achieve"**. They **"care well for them"** and pupils **"know that the adults in school look after them well to keep them emotionally healthy and physically safe"**. The strong culture of safeguarding and the sense of it being a shared responsibility was praised with safeguarding being judged **"effective"**.

The staff team are acknowledged for their expertise in meeting the needs of all children; **"Staff understand how to support pupils with special educational needs and/or disabilities (SEND)"**, making adaptations to **"precisely meet each pupil's needs"**, thus enabling **"pupils with SEND (to) access the same curriculum as their classmates and progress well through the curriculum"** and also for their **"expertise to implement the curriculum well"**.

We are immensely proud that the inspectors recognised that pupil **"behaviour and conduct are exemplary"**. The report highlights that **"classrooms are calm, orderly places where pupils can learn successfully"** and **"enjoy the calm and nurturing atmosphere"**. This calmness is always recognised and praised by visitors to the school.

Our pupils are a credit to Trinity and are commended for their **"exemplary"** behaviour, **"strong relationships with staff"**, and their ambition to help others and make a difference to the wider community.

There is recognition that **"the quality of pupils work is high"** throughout the school, within a **"rich and engaging"** curriculum. We were delighted that Maths was recognised as **"a strength of the school"** and that our provision in EYFS noted as **"strong"**, particularly in our approach to teaching early reading.

We have an enthusiastic, dedicated team of staff at Trinity, amazing pupils, strong governance at local and Trust level and supportive families; **"Parents overwhelmingly support the school"**. I am delighted that the inspection team were able to accurately capture our school and all that it stands for.

This achievement is only made possible through a whole community effort; although we are not driven by Ofsted inspections, it is always good when everyone's hard work is positively acknowledged. I am proud to be Headteacher at Trinity, it really is a fantastic place for our children to learn and for staff to work.

Thank you, as always for your continued support.

Yours sincerely
