Important updates and Diary Dates to note before the end of Term

Dear Parents,

As the end of the school year approaches, we are beginning to feel very busy at school and would ask you to please take note of the following important updates, diary dates and events.

Road Works Commencing next week

From Monday 4th July, road resurfacing work is planned beginning at Norton St Phillip, continuing through Faulkland and Hemington, before moving on to Buckland Dingham. We expect different sections of the road outside school to be inaccessible on **Wednesday 6th** and **Thursday 7th July**, depending on how the weather affects the timescale of the planned work. As soon as the school is given specific advice as to the best entry and parking points during this time, information will be sent out on ParentPay. Please check messages regularly on these days, and call the office if you have any concerns. The general advice is to allow extra time for your school run next week, and to expect some disruption.

Wednesday 6th July

Next week, PE will be on **Wednesday 6th July** (swapped from Thursday 7th July). Please can children wear their PE kit to school this coming **Wednesday** instead of Thursday. Apologies for any inconvenience.

Thursday 7th July

Y6 visit to Writhlington

Friday 8th July – Nightingale and Brunel Trip to Somerset and Dorset Railway, Midsomer Norton

Please see the attached letter (hard copy also sent home in book bags today) for further details and permission slips.

Re-ordering of Hot Meals required on Friday 8th July after 5pm

On Monday 11th July the school will be introducing new software to manage school meals. This will ease the administrative burden for the school and reduce food waste. There will be no change to the way in which you pre-order your child's meal. You will continue to access ParentPay using your usual login details. However, there will be more information available about the meals on offer (including photographs and allergy information). From 11 July onwards, the new weekly deadline for ordering meals going forwards will be **12:00 midday on the Thursday the week before**.

What do I need to do?

In order to implement the new software, ParentPay will need to cancel all meal orders placed for the week of 11th-22nd July onwards. **Please log into ParentPay after 5.00pm on Friday 8th July to reselect your meals for the following week, and for the rest of the school term.**
