Friday 12th November 2021

Dear Parents and Carers,

As part of our Science topic on Space this term, Years 5 and 6 will be visiting **We The Curious** (formerly @Bristol) on **Thursday 9th December 2021**. The trip will include a workshop on the movement of the Earth, Moon and Sun, a 3D experience about the possibility of life on other planets in the Planetarium, as well as the opportunity to explore many of the other exhibits at Bristol's museum of Science.

We will be travelling by coach, leaving at 8.45am and returning to school in time for school pick up at 3.15pm. Your child will need:

- A healthy packed lunch
- A water bottle and a fruit snack
- A lightweight waterproof coat
- School uniform
- A maximum of £5 to spend in the shop

As with all trips, we ask for a voluntary donation of £16.00 to cover the cost of the coach, museum entry, Science workshop and Planetarium experience. Please pay and consent to your child participating in the trip via ParentPay. Please do this by Friday 21st November 2021 so that we are able to confirm that the trip can go ahead.

We require a small number of parent helpers to accompany us, so if you are able to help with the children on the day, then please let your child's teacher know. We thank you for your continued support.

Yours Sincerely,

The 5/6 Team
