

The week started with an organisation called 'Papaya' delivering workshops to our Key Stage 2 children all about screen time, effects on mental health and how to get a healthy balance with technology. All children and teachers found the sessions extremely informative and the children engaged well with the learning. All children were given a little postcard with Top tips. Please ask your child about this and for more information go to www.papayatalks.com.

This was followed by an internet safety and cyberbullying session delivered by Isobel Corby from Avon and Somerset Police to both Key Stage 2 children and then again to staff. Isobel will be returning on June 11th to work with children in Reception and Key Stage 1 and to also deliver a Parent information session. As a staff we learnt so much and had our eyes opened to many things - it really is a session not to be missed. The timings of the parent meeting will either be 2.30-3.15pm or 3.15pm - 4pm. A google form will be sent home soon regarding your preference on timing and we will go with the majority.

Congratulations to our Key stage 2 children who came second in the area tag rugby competition. Read the report from Mr Rideout below.

Finally, as part of the Schools for Libraries project, the school has been given a Yoto Player. If you have any story cards at home that you no longer use, we would love them to be donated to the school.

Tag Rugby

On Tuesday ten children from Years 3, 4, 5 & 6 went to Norton Hill to take part in the MSN Tag Rugby Festival. This is the first time that the school has had enough to field a full team and what an event it turned out to be! After some fantastic rugby, the competition went all the way until the last game where Clutton lost by one try to Midsomer Norton. A huge well done to all involved and for your second place silver medals.
