

A very busy week! Key Stage 1 children have been rehearsing ready for their big performance next week - parents of children in Maple and Willow are in for a treat! Cherry class with the support of some Year 6 children have also been practising their nativity, we've not yet had a sneak preview but Mrs PC assures us that it will be fabulous. Rowan Class shared all their learning yesterday with their parents in their learning exhibition and then again with the rest of the school this morning. We certainly enjoyed finding out all about forest school, science, art, story writing, flags of Europe as well as many more exciting topics.

Lots of children at the top end of Key Stage 2 have had the opportunity to represent the school in football matches and indoor athletics this week. Many thanks to Mr Rideout for taking charge of these events. Please read all about them below.

*On Monday, children from Year 5 and 6 travelled to Wellsway School to take part in the Indoor Athletics competition. Children took part in both track and field events including: sprints, long jump, triple jump and javelin among many others. We await the final results! Well done to Frankie, Rocco, Ruairi, James, Harrison, Freddie, Lola, Molly, Martha, Livie and Darcy.*

*On Tuesday the school football team headed to Norton Hill for two league fixtures. They played two games, the first against St Julian's and the second against Farrington. The first game finished 2-2 against a really strong and physical St Julian's side. Clutton were unlucky to steal the victory in the final play after Harrison hit the bar with a volley from halfway! Clutton finished the evening with a resounding 5-1 victory against Farrington.*

Finally, a big thank you to Kingwell Trees who have again this year given the school a Christmas tree which will be put up on the playground shortly ready for our Carols by Candlelight event.

### ***Sycamore Class trip to The Roman Baths***

On Thursday Sycamore Class had a very busy day visiting the Roman Baths which looked spectacular on a very cold and crisp day. It was a fitting end to our History topic and it was amazing what they packed into one day! First, they toured the museum and were fascinated by the exhibits before walking into the various rooms and imagining what it would have been like to wallow in the thermal waters of a caldarium. The children were fascinated by the exhibits and at the end of their tour, were invited to sample the mineral water! Not all of them liked the taste but one or two went back for seconds! In the beautiful learning space, the children had a go at mosaic making, dressed like a Roman, handled artefacts and discovered what it was like to dig like an archaeologist. A brilliant day! See some photos from the day below.

### **Clubs**

Just a quick reminder that all clubs have finished now until the new year with the exception of choir and art club where there will be one more session next week.

**A plea from The Eco Team.** They are asking for donations of adult tights in good condition (no holes please) for a draft excluder project. If you have any to donate then please bring them into school. Thank you.
