

What an exciting week we've had! Firstly, we had perfect weather for our re-arranged sports day, with a morning of activities in school, followed by an afternoon of races at Clutton FC. Many thanks to the football club for hosting again and for marking out the track, not once but twice after we had to cancel last week. Thank you to everyone who came along to support and congratulations to Amber house who emerged as the Sports Day cup winners - nobody can remember the last time they won so it is a great achievement indeed!

On Thursday, all the Year 6s had a taste of what it's like to be a secondary school pupil and the rest of the school spent some time in their new classrooms with their new teachers. The current Year 5s looked very much at home sitting on the benches in assembly and can't wait to meet their buddies and find out what responsibilities they have in September.

Cherry Class had a fantastic day at We The Curious on Tuesday! They took part in a rainforest workshop where they had to help baby animals back to their family after a storm. They used their sense of touch to touch their skin and the type of eggs they had to figure out what animal was in the box. They then had some time to explore - making big bubbles, looking at how animation is created and making our way through a wonky house! In the afternoon they visited the planetarium for a trip to space and helped a lost alien find the perfect planet to live on! Cherry Class showed excellent behaviour and represented our school brilliantly.

Just a reminder that the PTFA EGM is being held on Thursday at 7.30pm at the school. Please attend and support if you are able as the current committee after many years will be stepping down from their roles. The PTFA raises vital funds for all the 'extras' a few examples of which are theatre visits, purchasing new books and PE equipment, subsidising school trips, leavers hoodies as well as organising exciting experiences such as the Clutton Fireworks night and the school disco - without a PTFA many of these will disappear or put back extra costs onto families.

All Clubs have now finished until September.
