

We'd like to start by saying a massive thank you to Faye and the PTFA team for the huge amount of effort and organisation that went into running the community firework display. Faye and the team put in many hours of hard work to ensure that it was a success. They managed to raise a whopping £1500 for the school which goes a long way to paying for many of the 'extras' that the school can simply not afford. We are also very grateful to the members of Clutton Community without whom the event couldn't have been possible. Thank you to Linda and Howard at the Social Club for donating and cooking all the food with all profits donated to the PTFA, Duncan for collecting the wood for the bonfire and as always, thank you to The Withers family for offering their farm up to be the location of this annual extravaganza. The school and the wider community appreciate all that goes into the fireworks display every year to ensure our children (and their adults) have fun.

We'd also like to thank everyone for their understanding with regards to the rearrangement of Parents' meetings from the end of last term to this week, especially those parents who were due to see Mrs Stephens. If for whatever reason you were unable to attend, please contact your child's class teacher to make an appointment.

Finally, we have a really busy term ahead -please keep checking the diary dates at the end of the newsletters.

Christmas Fair News

At this year's Christmas Fair the PTFA are giving the children of Clutton Primary the opportunity to run their own stalls. Their stall can be whatever they like, for example homemade products, games, activities etc and the profits are their own.

So if you have any budding entrepreneurs, start talking with them about what they could do and there will be more information from the PTFA soon on how to apply for a stall, as there will be a limit on the number of stalls available. The children will need to have a plan or an overview of what they would like to do and the PTFA are willing to help them with start-up costs if needed.

Oak Class - Police Visit

A huge thank you to Andri from Avon and Somerset Police for coming into school and doing a workshop with our Year 6 pupils. The session was both really fun and informative! The workshop was to educate the children about exploitation and grooming, safe use of social media and online gaming.

Certificates of the week

Head Teacher Awards

Congratulations to Oscar, Livie, Alice, Sophie, Gabrielius, Bonnie and Ellis for receiving the Head Teachers Award today.

Doodle Maths

Children with the most Doodle Stars this week are:

Doodle Maths - Bear, Darcy, Albie, Oscar, Johannes and Kady.

Doodle Tables - Max, Phoebe, Joshua, Oscar and Freddie.

Congratulations to Oscar for receiving the most stars in the school this week. Well done!

Other Achievements

Ellis won four disciplines at his gymnastics competition at the weekend and Gold overall! He brought in all his medals and trophy to show everyone. Phoebe and Sophie showed their gymnastics medals and Florence and Eddie their swimming certificates.
