

As we approach the last two weeks of term, we have been busy starting to get ready for the new academic year. Part of this involves children getting a taste of what it will be like in September, spending time with their new teacher in their new classroom. Despite some initial apprehension about 'Shuffle up Morning' from some children, everyone had a great time and were a little disappointed that they couldn't stay in their new classes for the whole day! Our current Year 6 students also spent a day at their new secondaries whilst the children who will be starting in Cherry Class in September had fun exploring Cherry Class and were then joined by their parents for a picnic in the Cherry Class area.

We also welcomed back Mrs Stephens from her maternity leave but sadly, this will only be for three weeks when she will be leaving us to concentrate on her new business.

Next week will continue to be busy so we would like to remind everyone that the talent show auditions will take place next Friday (11th July) and that end of year school reports will be sent out via Arbor throughout next week.

On Tuesday, a group of our Year 4 pupils represented the school at a Maths Problem Solving event at Somervale School. The 6 eager mathematicians collaborated with Year 4 pupils from other schools from the trust to solve a variety of different problems. It was great to see their confidence, enthusiasm and skills and we look forward to future events.
