

We hope that you all had a lovely half term enjoying the sunshine. We've had a great first week back with lots of enrichment activities.

We would like to give a special mention to Harry in Year 5, for organising a sponsored run and cake sale to raise money for new goal posts at the local park in Clutton. So far over £1200 has been raised. Well done Harry and all of his helpers!

Reception and Key Stage 1 children enjoyed their first archery club session this week. Mr Rideout was extremely impressed with their strength and ability in being able to handle the bow and arrow effectively. Cheerleading club is going well and we are nearly ready for our big performance at Sports Day.

On Wednesday and Thursday, Sam Russon from Wessex Water visited each of the classes to run engaging and interactive activities all about conserving water. We were lucky enough to spend time with Willow Class where they were conducting an experiment to find out which fruit - cucumber or tomato - contained the most water. For those of you who are wondering, we discovered that it was the cucumber!

With a Met Office weather warning for heat over the weekend and into the beginning of next week, can we please remind you to ensure your children are coming to school with a sun hat, a full water bottle and with sun cream applied. Depending on how hot it gets, we may have to make adjustments to learning outside, as well as lunchtimes.

Finally, we are really sad to say that Miss Miller will be leaving us at the end of this academic year. She has been at the school for 28 years now and felt that it was the right time to move onto pastures new. She has however promised to come back and visit. Mrs Sebright will also sadly be leaving us in July as she has gained a promotion to another school within our MAT. We wish them both the very best of luck in their new ventures.

Mrs Cowgill and Mr Turull
