

We can't quite believe we have reached the penultimate week of the academic year! It has been an incredibly busy, high-energy week across the school, packed with creativity, talent, and fun.

Our Year 6 pupils blew us away this week with two spectacular performances of their production, *Bugsy Malone*. The children treated us to fantastic acting, beautiful singing, and a whole lot of fun with the infamous splurge guns!

A massive thank you to Anna for giving up hours of her own free time to produce and direct this wonderful play. We also want to extend a huge thank you to Mrs. Willcox for the incredible set design, and to Miss Hodgkinson and Mrs. Evans for working so hard with the children on their lines and singing. You are all superstars!

The search for our next big star is officially underway! Talent show auditions were held this week, and the standard across the board was exceptionally high this year. A massive well done to every single child who entered. **Please Note:** If your child has been successful in reaching the grand final, you will receive an invite shortly.

Wednesday was our "Break the Rules" day. The highlight for many was undoubtedly getting to soak the teachers! Everyone took it in great spirits, and we will update you next week on the exact total of how much money was raised for our school funds.

Chestnut Class have been cooking fruit pies this term. Here are some of this week's creations.

Please note, all school reports have now been sent out. Please contact the school office if you have not received it. We are still awaiting the Key Stage 2 SATS results. These will be shared with parents as soon as we receive them.

Thank you for your continued support as we head into our final week of the school year!

PTFA EGM

This was held yesterday evening. Sadly, apart from 2 parents and the committee members, no-one else was in attendance. This means that the meeting was not quorate so the PTFA was unable to be dissolved. Two parents have very kindly agreed to be Chair and Treasurer in name only with a view to a new group of parents taking on the responsibility at the AGM in October. In reality this means until that time the school no longer has a functioning PTFA. For those of you who may be considering joining the PTFA, you can make the role as big or small as you want and the outgoing committee are very happy to support you.

Message from Clutton Allotment owners

The allotment holders are finding an ongoing problem with children as young as around 6 years old being allowed (possibly) but at the very least not being supervised. They are apparently looking for toads, slow worms, but are now vandalising the plots to discover them; lifting plastic, destroying sleeper retainers etc. Could you please let your child know that this is not acceptable, they should be aware of respecting property. Allotment holders work hard most of the year to maintain plots and it's become very disheartening and frustrating for those nearer the park. One and all are welcome on the top community garden.

Consent via Arbor for children with medication in school

If your child has medication in school, please give consent via Arbor for the medication to be transferred to the new class teacher. We will ensure that all medication is in date on transfer.
