

This week has seen two compulsory assessments, firstly the phonics screening for our Year 1 children and secondly the multiplication check for our Year 4 children. All the children took the assessments in their stride and we're really proud of all of them. If you have a child in these year groups, you will be informed of their scores in due course.

At the time of writing, we have lots of excited children in school who are looking forward to the school disco this evening organised by the PTFA. Many of our PTFA committee members will be stepping down this year after many years of dedication so we really need people to step forward and support the PTFA in order to keep it going. The PTFA raises vital funds for the school whilst organising fun events for the children. This academic year, the PTFA have organised the Clutton fireworks, Christmas present wrapping station, Christmas fayre, Easter bunny run, silent disco, break the rules and soak the teacher as well as termly tuck shops. If you are interested in joining the PTFA please let any member of staff know.

Mrs Cowgill and Mr Turull

### **JOB VACANCY**

Al Parkes, who many of you will know, has been cleaning our school for many years. He has decided to hang up cleaning cloths and retire at the end of this academic year. He will still be leading events held at the church and supporting some assemblies. What this means, is that we are looking to recruit two new cleaners with a contract of 10 hours each per week starting from 1st September 2026. If this is something that you would be interested in, or know of someone who would be, please contact the school office for further details.
