

Monday saw the first sports fixture of the term. Mrs Rawes took the newly assembled netball team (many who have only been playing for 4 weeks) to Pensford to play the first round of the BANES netball cup. Sadly, they lost but Mrs Rawes was extremely proud of the resilience the team showed. They kept their heads up and didn't give up until the final whistle was blown. Unfortunately, in all the excitement we forgot to take a photo of all the children looking very smart in their netball kit!

It was lovely to see so many of you at St Augustine's church on Tuesday to help us celebrate Harvest in our two festivals. We were very proud of how well the children conducted themselves. It's not easy for many to stand up and speak in front of such a large audience. Thank you as well for all of your generous donations, they are being taken to the foodbank on Monday.

Mr Rideout and Oak Class have been working very hard over the last couple of weeks preparing for their learning exhibition. Families were invited to attend yesterday whilst the rest of the school visited this morning. Well done Oak Class - a lot of learning has certainly taken place this term!

Please do check out your child's class pages which can be accessed through the links on the Clutton School website. You'll find a selection of knowledge organisers containing key facts and vocabulary that your child will have learnt this term. Most contain little quizzes - why not check them out and see how much your child can remember! New knowledge organisers and an overview of what your child will be learning next term will be added shortly.

Finally, if you have not yet signed up for a slot at parents evening next week, it is not too late to do so. Simply pop into the office or email the school and we will arrange a time for you to attend.
