

We have to start by saying a big thank you to everyone who was involved in the Clutton Bulb Show and helped to make it a big success. I don't think we've ever had so many entries and it was obvious that so much time and effort went into each and every one. It was lovely to see so many of you who came along on Saturday to support the event.

The school was a sea of red today in aid of Comic Relief. Thank you to everyone who has made a donation via parent pay. You can still donate via this link if you'd like to:

Just a quick reminder, all classes (except for Oak who will be on their residential in the Isle of Wight) will be taking part in their Easter Olympics during their PE session next week. Please remember to send back any sponsor forms and money. Easter eggs to all who take part!

We also wanted to thank the PTFA for funding the Yr 6 Leavers hoodies that they are all incredibly excited to have in time for their camp.

### **Volcanologist Professor- Year 6**

On Thursday Oak Class had a visit from Jerry, a volcanologist from Bristol University. He taught the children all about volcanoes and eruptions as well as about what he does in his day to day job. He inspired the children with stories about his travels and his love for helping people who live in the vicinity of volcanic eruptions.

### **Request for clothes for Cherry Class**

If you have any unwanted school uniform aged 4-5 and 5-6, please could you bring it into school? It is always helpful to have spare clothes in Cherry Class. We could really do with trousers, joggers, socks, pants and tights. Many thanks.

Children in Cherry Class have been learning about healthy food choices as part of their Fantastic Food topic, so this week we made rainbow fruit kebabs. The children learnt how pineapples grow and tried new fruits. They were delicious!
