

Wow! What a busy week. It was lovely to see so many parents and other family members at our Harvest festival on Tuesday at St Augustine's Church. We were a little worried that we wouldn't all fit in, having had separate key stage festivals in previous years but we needn't have worried and having a full church really added to the atmosphere. Thank you for all your many food donations which have been taken to the Somer Valley Food Bank.

Two sports matches this week - On Tuesday, Mr Rideout took the football team to Kilmersdon to play their first league match then on Wednesday it was the turn of the netballers who played a cup match against Chew Stoke. Read all about them below. Finally, don't forget that we are having a well-being/shutdown day on Monday. Feel free to bring your slippers to wear in school so that you can be extra comfy. Also, if your child doesn't currently have a pair of wellies in school please can they bring them in on Monday as everyone will get some time in the Forest School area.

Mrs Cowgill and Mr Turull

Netball

Well done to our team who played Chew Stoke on Wednesday. Some absolutely amazing play from all involved but sadly the score finished 12-11 to Chew Stoke. Arthur proved himself a star shooter, scoring 7 goals in the last quarter! We had a strong cohort of supporters - even more than the home side. Thank you everyone for coming to cheer us on.

Football

On Tuesday, the Year 6 football team took on Kilmersdon in their first league match. Kilmersdon were a very strong side, boasting a number of academy players. The Clutton goals came from Rosa and Henry but the opposition eventually ran away with the game. The team now looks forward to the remaining league matches and tournaments.

Year 6 Trip to Life Skills

This week, our Year 6 children had a fantastic and educational trip to Lifeskills in South Bristol. Lifeskills have created a realistic, interactive village within the Create Centre that helps children learn how to deal with potentially dangerous or difficult situations in a safe and supportive environment.

During their visit, the children experienced a variety of real-life scenarios, including road and railway safety, dealing with hazards in kitchens and living rooms, and learning about electrical safety at a substation. They also practiced making emergency phone calls and were introduced to some basic first aid techniques.

This hands-on learning experience was not only informative but also engaging, and the children thoroughly enjoyed their day. A big thank you to Lifeskills for providing such an important opportunity to help prepare our pupils for the real world.

Volunteer at Lifeskills

Lifeskills welcomes over 10,000 children each year, and they are currently looking for volunteers to help guide children through their sessions. Volunteering is flexible, fun, and a brilliant way to build new skills while making a real difference.
