

Covid cases in the school are unfortunately on the rise as was expected following the outbreak in The Cabin last week. The majority of these have been in Maple Class but there are some other cases across the school. We would be very grateful if your child is showing any symptoms that you conduct a covid test. If the test is then positive please contact the school. We will continue reviewing the measures we have in place at school and while we will still promote good hand hygiene, ensure ventilation and keep up stringent cleaning routines, we may need to consider further measures should cases continue to rise. At the moment we are still planning to hold our parent consultation sessions face to face; sign up sheets will be available at the beginning of next week.

After two cake sales organised entirely by Year 6 girls and Year 3 boys, as well as monetary donations last Friday, the school has raised an amazing £800 for the Ukrainian appeal. Thank you to all concerned.

On Tuesday Year 2 children enjoyed their very first school trip on a coach to the SS Great Britain where they had fun in the sun! I look forward to reading all their recounts about the visit. Please see photos on page 4.

The bulb show at the weekend was well attended by members of the community and everyone commented on how wonderful the children's work was. Mrs PC has been busy making a video comprising pictures of the event ready for the website.

Finally, it's not too late to donate to Comic Relief through our just giving page on the link below. It was a sea of red this morning as the children all came into school wearing a variety of Red Nose Day outfits - along with some red noses as well. We will let you know next week how much we have raised.

Comic Relief 2022 -

Please donate via the Clutton School Just Giving page

Mrs Cowgill and Mr Turull

Jubilee Cherry Blossom Tree

The members of the gardening club have done a fantastic job planting and looking after the new addition to the forest school area. They even roped in some helpers in the form of Mr Rideout and Mr Wellington to do the heavy lifting. The Cherry Blossom tree, which marks the Queen's Jubilee, is already producing some blossoms. A very welcome sign of Spring. We look forward to seeing what else the gardening club gets up to this term.

Year 5 Maths Challenge

For the maths competition we went in Mrs Sebright's car and travelled to Paragon School. There were about 10 different schools with 4 people for each school and we got split into 2's. There were 6 challenges and they were tangrams, broken calculators, dominoes, a cycling thing, number cards and make 24. One of the pairs was Juno and I and the other pair was Connie and Eliza. Juno and I came 5th and Connie and Eliza came 16th, which are both good out of a lot of pairs. By Joshua Harris, Year 5.

Connie and Eliza weren't in school today to receive their certificates with Joshua and Juno as they are at a sporting event at Bath Uni 'This girl can'. We look forward to hearing all about it when they're back next week.

Certificates of the week

Doodle Maths and Doodle Tables - Top Doodlers this week are Paige, Connie, Hollie, Phoebe T, Riley, and Lucie. Top for Doodle Tables were James L, Connie, Reuben, Zander, Joshua and Florence. Well done to you all for all your hard work this week.

Headteachers' Award

Congratulations to Otto, Samuel, Molly T, Martha, Joseph and Lucie on receiving the Head Teachers Awards this week.

Other Awards

Hollie has received an RMC Sports certificate, Aria achieved her Level 2 swimming and Siena has a new gymnastics certificate and medal. Excellent achievements girls!
