

Thank you to everyone who provided cakes and donated money for Children in Need. We'll let you know the grand total raised next week. What a treat, being allowed to come to school in pyjamas!

Over the last couple of weeks we have been given the opportunity to teach across the different classes in the school and it is wonderful to see the great progress that the children have made even since September. If you do have any concerns or would like to know more about your child's progress please do not hesitate to contact the school. We are going to send you out a quick update before the end of Term 2 so that you know how well your child is doing and any areas to focus more on.

Thank you to everyone who has been reading with their child at home. Just five minutes a day makes a massive difference in not only your child's reading ability but with their confidence. Please don't forget to complete their reading record - It doesn't have to be a long comment, a signature or a smiley face will suffice!
