

You may have noticed some new faces around the school. We have three new lunchtime staff, Emma Pink and Natasha Day, as well as Kim Gooding, who some of you may remember as she worked in our school several years ago. Emma will also be working in the office on Thursday afternoons and all day Friday. Please stop and say hello if you see them.

Well they say that every day in school is different. This was certainly true on Wednesday when a bat decided to fly into our staffroom and join us for lunch! Knowing that bats are a protected species and being unsure of what to do, we rang the national bat helpline who talked us through catching it once it had landed. 'Bertie' as named by Mrs Wills was duly taken to the vet as instructed where he will be looked after. They have promised to keep us updated on Bertie's progress.

Today was a sea of red and silly noses as we celebrated Comic Relief (if you would like to make a donation, this can be done via the school shop on Arbor). The hall is set up ready for tomorrow's bulb show. Further entries can be brought to school tomorrow between 10 and 11 am and then we look forward to welcoming everyone from 2pm.

## **Cross Country**

On Thursday, the sun was shining for some of our Year 6s as they headed to Somervale School for the annual MSN Year 6 Cross Country Race. The race has become a bit of a rite of passage for Year 6 students before they leave for secondary school, a race that I remember doing in Year 6 myself! A huge well done to all that raced and a special shout out to Tom (#6) and Finley (#7) for their top 10 finishes individually. Overall, the girls came 2nd in the Small School team event and the Boys came 1st- meaning a trophy is on its way to Clutton!

### **Chestnut Trumpet Recital**

On Wednesday afternoon, Chestnut Class did a recital to parents showcasing their learning from the last 10 weeks. The performance was a combination of singing and trumpet playing, including a rendition of the class favourite, 'Hey Mr Miller'. A big thank you to Mrs Williams for being an amazing teacher for the past 10 weeks, and we hope that some children decide to keep going with the instrument in the future!

### **Notices**

- **Allergies** - We have a number of children within school with allergies. To minimize the risk of accidental exposure and to ensure a safe learning environment for these students please do not send any foods that contain shellfish or nuts into school with your child. We understand that this requires an extra measure of caution, and we truly appreciate your cooperation in helping us protect these children.
- **Contacting teachers** - Unless it is an emergency or a safeguarding issue please do not contact teachers directly after 5pm. Please email the school office and this will be forwarded to the appropriate member of staff early the following morning.
- **School Lunches** - Please remember to book lunch before midnight on Thursday for the following week via SchoolGrid.
- **School Uniform** - If you are unsure of the school uniform policy then please follow the link to the uniform page on the website [School Uniform](#).
