

We'd like to start by saying a big thank you to everyone who has taken the time to complete the parent view questionnaire that was emailed out to all parents last week. There is still time to complete it and the more responses we receive, the more accurate the picture we will have. All views are valued and really will help shape the school's future going forward. For parents who do have specific concerns about their child, we would please encourage you to come and see one of us - or your child's teacher - as soon as possible, so we can work together to resolve any issues.

It has been lovely to get back to some sort of 'normality' this week with children of all ages playing together and being able to hold whole school assemblies again. Teachers are really looking forward to being able to organise fun activities and school trips again after a long spell of not being able to do so. The first of these events will be the school disco held in the school hall, 4pm-5pm for children in Cherry, Maple and Willow Class and 5-6pm for the older pupils. More information on this event to follow.

We said a sad farewell today to Miss Henry, Miss Webber and Miss Barnes who have been our students from Bath Spa University working in Cherry, Maple and Willow Class. They will be moving onto a new placement at other schools within the Midsomer Norton Schools Partnership and we wish them every success for the future. We will also be saying goodbye to Miss Eaton who has been in Sycamore Class. She has been with us from the University of the West of England and is also leaving us today. Many thanks to all of them for the work they have done with our pupils since September.

Mrs Cowgill and Mr Turull
